Health Ministry:

Possible Causes/Solutions for Controlling Personalities

Possible Causes:

1. Certain parenting styles where * Love was conditional and achievement-based. The child didn't feel loved until they performed to meet their parents' needs. *Tasks were valued over relationships. What you produced was more important than who you were. *Nurturing was unreliable and inconsistent. The child learns to be wary of relying on or trusting of others and becomes fiercely independent, but often has bouts of intense loneliness. **2. Significant loss or hurt in past** - the person develops the mindset that will not let anything or anyone hurt them again. **3. Covering up low self-esteem and insecurities for the sake of ego and pride.**

Possible Solutions:

1. Soften your approach. Are you making demands or threats? Take responsibility for your feelings. **2. Foster co-operation.** Strive to find common ground. Give and take. Welcome input and work collaboratively. **3. Tend to your anxiety.** Explore the source of your anxiety without projecting it on others. Strive to identify what triggers your wish to control others.

Good and Bad of Controlling Personalities

Frequently successful in career; relentlessly goal-driven and able to manage others to meet those goals...BUT...personal life often a mess as friendships are volatile; relationships always on trial.

Happy 50th Wedding Anniversary Tony & Linda Esposito!

Congratulations Tony & Linda!

Thank You For Your Generosity!

Thank you for your generous support of Holy Family Parish St. Vincent de Paul. Our parish members contributed **\$5,431** to the St. Vincent de Paul Fifth Sunday collection! These funds will be used right here in Middletown to help our neighbors with food, basic household and furniture items, and utility bills. God has blessed Holy Family and our parish members continue to generously share their blessings with the Middletown Community. Thank you! *Deacon John Lyons* - TREASURER

Introductions to Readings

by Bishop Ken Untener, in collaboration with Catherine Haven and Fr. Bill Taylor

First Reading - Exodus 16:2-4, 12-15

The book of Exodus tells of the Israelites' escape from Egypt and their journey to Mount Sinai some 1,200 years before Christ. The bread described in today's reading is called *manna*, a word derived from the ancient Hebrew words for "what is this?"

Second Reading - Ephesians 4:17, 20-24

In our series of readings from the letter to the Ephesians, we have come to a part of the letter which gives advice for daily living. Today's reading describes the effects of baptism. In the waters of baptism, we symbolically die to one way of living and rise to a new way of life.

Give the Gift of Hope - Shepherds of Bethlehem Olive Wood Carvings Sale

After All Masses Next Weekend!

Since the year 2000, Bethlehem has been getting worse due to the unstable political situation causing poverty among Christians still living in the Holy Land. People have turned to rely heavily on the Olive Wood Business and it is now the main income of many Bethlehem families.

What once was a heavy tourist area is not anymore due to fear. So now we must travel to keep our income afloat.

Because of that OUR MISSION is to help preserve Bethlehem as a Christian city and keep our families from fleeing the Holy Land.

The Shepherds will display the carvings after all of the Masses next weekend, August 11th and 12th.

Your purchase, however small or big, will be an act of social justice as well as provide an opportunity to own or give as gifts original folk art from Bethlehem.

To see some examples of our beautiful olive wood carvings, visit <https://www.facebook.com/ShepherdsOliveWoodCarvings>.

"I am the good shepherd. The good shepherd lays down his life for the sheep." JOHN 10:11

St. John XXIII

Catholic School

Pre-K to Grade 8

by Dawn Pickerill / Principal

TRADITIONAL VALUES. EXCEPTIONAL EDUCATION.

St. John XXIII represents 150 years of Catholic Education dedicated to encouraging and developing well-rounded, self-confident and compassionate children and young adults who lead successful, mindful, service-driven lives. Our school community is the foundation on which our core principles of faith and hard work bind us together as a family.

If you are interested in a Catholic education that provides a challenging, structured and thoughtful learning environment led by highly qualified and experienced teachers, contact Principal Dawn Pickerill at 424-1196 for a meeting and a tour of the school.

ADVANCED MATH

Once again this year, we offered high school level math classes for those students who showed an aptitude in this subject area, and once again this year, these students excelled according to the State of Ohio End of Course Exams.

These courses, Algebra I and Geometry, are taught by a high school certified teacher using the same curriculum, as well as the same text books, that are used in the high schools. In order to get high school credit for these courses, all students must take and pass an end of course exam.

Our students in grades 7 and 8 are not judged against their peers, rather they are held to the same standards that high school students taking the test are.

The state average for all students taking the Algebra I exam was a 703. Our grade 8 students taking the exam averaged a 721, and our grade 7 students taking the exam averaged a 749!

The state average for all students taking the Geometry exam was a 692. I am ecstatic to report that our student average for the Geometry exam was a 756!! This score lands our students in the highest level for the test which is Advanced.

We are so proud of our students and all of the effort and hard work they put into their studies!

Wanted: Reliable, Used Cargo Van

The search to replace the parish work van - the 1987 Ford Cargo Van which we've been coaxing along the past several years - has come up empty so we're back to putting the word out: If you or someone you know can give us a lead on a reliable, previously owned, inexpensive cargo van, we'd be most grateful! Please call the parish office 422-0602 or email any staff member - find email addresses on the opposite page. Thank you!

TIME TO CLEAN OUT YOUR CLOSETS!

Shoes For Water Shoe Drive

11 AM - 4 PM Saturdays, August 18th & 25th

Northminster Presbyterian Church
400 Villa Rd, Springfield, OH 45503

DID YOU KNOW THAT YOUR

UNWANTED SHOES CAN HELP SAVE LIVES?

WaterStep is a nonprofit organization that provides safe water to communities in developing countries. They train people on how to use safe water solutions like water purification, health education and well repair, empowering communities to take care of their own water needs for years. By donating your unwanted shoes to WaterStep you can help them bring safe drinking water to children and families all over the world. WaterStep sells the shoes to an exporter and the revenue generated supports their life saving water projects, thus contributing to micro-enterprise ventures that benefit the economy. Shoes that are no longer wearable are recycled. In addition to funding water projects, donated shoes keep hundreds of tons of waste out of our landfills! **Shoes of any type, size or condition are accepted, from high heels to high tops, as long as they are free from mold and mildew**, so clean out your closets! Since 1995, WaterStep has worked in more than 40 countries, and currently has 96 active projects worldwide. Visit their website to find out more about the important work they do - www.waterstep.org.
