Commemoration of all the Faithful Departed

It is the custom of our parish to remember every individual who has been buried from Holy Family during the last year. Candles will be lit as their names are read and placed in the Books of Remembrance at both churches. Everyone is invited to add deceased loved ones' names to these books beginning next weekend. We ask you to pray with us for all the faithful departed.

Introductions to Readings

by Bishop Ken Untener, in collaboration with Catherine Haven and Fr. Bill Taylor

First Reading - Deuteronomy 6:2-6

The events in today's reading take place as the Israelites are camped on the shore of the Jordan River ready to enter the Promised Land. In a lengthy farewell speech, Moses stresses that they are to remain faithful to the Lord after they have settled in their new land. The final words of this passage are especially dear to Jewish people who recite them several times a day, attach them to their doorposts, and wear them on their person.

Second Reading - Hebrews 7:23-28

There were daily sacrifices of animals in the Jerusalem temple. These were offered by many priests who, when they died, were replaced by others. The author of the Letter to the Hebrews contrasts this with Jesus whose one sacrifice on the cross was for all people of all times.

Calvary Cemetery Collection

by Dr. Steph Burk - parishioner and Calvary Cemetery Assoc. Member

Apparently you can't swing a cat - or bury one - in Great Britain without hitting some archeology. We watch a lot of TV this time of year; a recently discovered gem is the Amazon series *Time Team*. What is essentially a SWAT team of archeological experts descends on a site with their special knowledge and equipment, and has three days' hard labor to help unravel a mystery. Anything from Paleolithic hunting camps to WWII bunkers is fair game. The most moving finds, even to seasoned scholars like the Team, are unexpected burials. Certainly England has no shortage of these; the remains of kings are discovered under car parks, medieval monastic graves are unearthed when family pets are buried in back gardens - you get the idea. Archeologist Phil Harding's raucous voice drops to a reverent whisper as he cradles some tiny human bones in his hand. They've been found nestled against the foundation of an ancient church. "This child was probably buried in secret at night, by poor people who couldn't afford a proper grave," he says softly, "and now that we've found them, we will just tuck them carefully back again." And so he does, and the dig goes on. Recently I discovered an old newspaper article describing a lost cemetery here in Middletown, practically in the backyard of my childhood home on Midway Street. Who knew that as a kid I was "popping wheelies" on my bike over the graves of many of the earliest settlers in the area? Is there anything more poignant than an unmarked grave? Time passes, the families who maintained the cemeteries disappear....and then finally the cemetery itself goes the same way, possibly lost forever. That's why cemetery maintenance is so important. It's the only way we can ensure that the graves of our loved ones are cared for in the way they deserve, and why the Calvary Cemetery Board is requesting, as it does every year at this time, your continued support for the care of our own Catholic Cemetery. You'll find an envelope for your contribution - our only source of income - along with your November envelopes. Thank you for remembering those who helped shape our parish. By making a donation, you are doing the same.

Giving Trees in the Churches This Weekend!

Giving Tree Gifts are a very personal way to share the joy of Christmas!

As is tradition, parishioners are invited to choose an ornament, purchase the suggested gift, wrap it, and bring the gift *with the tag attached* to the 9:00 AM Thanksgiving Day Mass celebrated at St. John Church or to the parish office during the first week of December.

Prison Ministry: Angel Tag We team with Messiah Lutheran Church to provide Christmas gifts for Middletown children whose parent or guardian is currently in prison. Through the chaplain, inmates request gifts for their children. **These gifts are passed out in early December!**

Family Services: Star Tag Needy families in the Middletown area sign up with Family Services for Christmas gifts for their children. Our St. Vincent de Paul Society joins other organizations in the community to provide these gifts. **Our SVDP passes out these gifts on Friday, Dec 21st!**

Homebound Parishioners: Christmas Tree Tag

We share Christmas with our parish family! The best gift you can give is the gift of your time and friendship! Pope Frances says,

"You are the visible face of the invisible Father!"

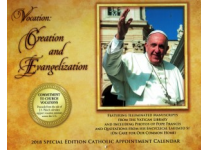

Again this year we're asking for uplifting Christmas visits to our homebound parishioners - so no need to buy a gift or return the tag! In fact - you'll want to keep the tag, as on the back you'll find the name and address plus some personal notes for a homebound parishioner who would love a visit from YOU! Involve the whole family! Grandparents - have your grandchildren color a Christmas picture or make a fancy ornament. Moms and dads - pick out a family favorite Christmas story and have the kids read it aloud or bake and decorate some Christmas Cookies to take along. Scout troops - pair up for individual visits and then join as a troop to go caroling in the halls! Instead of going out for coffee, friends can instead plan a visit and give a small religious or personal care item as a little gift! Why not take a break from the crazy materialism of the season and spread some Christmas Joy! You'll be glad you did!

OUR DOORS ARE OPEN: No matter what your present status in the Catholic Church, no matter what your current family and marital situation, no matter what your age, race, background, personal history, etc., no matter what your own self-image — you are invited, welcomed, accepted, loved and respected here at Holy Family Parish. Our doors are open!
