We are excited that he coming to the area!!

Question of the Week – How can I get my kids excited to go to Mass, they say it is boring? The Mass is at the center of Catholic tradition, and yet, the general consensus today seems to be that the Mass is boring! It's not only children who are saying this, but also the Adults as well. They also say "they get nothing out of it." This is an issue that deserves our immediate attention! A famous Catholic Author, Matthew Kelly, has some suggestions in his book *Rediscover Catholicism*. We will be including some of his thoughts about this very important issue from his book in the bulletin for the next few weeks.
