**Question of the Week – How can we and our children get more out of Mass?**

Understanding the Parts of Mass, and being engaged in them, is another way of getting more out of Mass. **The Penitential Act-** This is the moment when we acknowledge that some of our thoughts and actions have not helped us become the "best version of ourselves." Actually, they have created an obstacle between us and the infinite love of God. Instead of trying to think of **all** the sins that may have come between us and God, Try this: Identify a specific thought, word, or action that has created an "obstacle" between you and the infinite love of God. Ask God for forgiveness, and make a point to try and maybe turn that negative action into a more positive one.
