Question of the Week – How can we and our children get more out of Mass?
Our Profession of Faith: This is where we proclaim our faith as individuals and as a community. I used to find it comforting when we pray together, "We believe..." (before they changed it to "I believe") because whatever was lacking in what I believed on any given Sunday (because of doubts and questions I may have) was made up for by the faith of someone in the pew in front of me or behind me, on the other side of town, or the other side of the world. **Together** we have complete faith! Engage: Whatever you have questions or doubts about the Creed, begin to explore them vigorously, one at a time. Examine why the Church teaches what she teaches in each instance, and allow your questions and doubts to strengthen your faith rather than diminish it.
