*** We are in need of a 7th grade Religious Ed. teacher.** If interested, or if you know of someone who may be, please contact Stephanie Wurdinger at (402)-669-4406 or Fr. Jerry at (402) 439-2147.
***Rural Pastoral Planning:** we have received the preliminary plans for the future of the churches in the Rural Central Deanery, which does include St. Peter's here in Stanton. We will again be having a parish meeting after the weekend Masses of July 29th/30th to explain some of the recommendations that are proposed. **Everyone in our Parish is encouraged to attend. The planning team will look over the feedback from the meeting to make their final decisions which will be announced in November.** If you would like to find out more information, you can go to the Omaha Archdiocese's website at www.archomaha.org. Click on "Parishes" on the left hand side, then click on "Rural Pastoral Planning", then "Preliminary Plan" and then under "Rural Central Deanery" click on either the power point or the pdf version.

The current proposal for St. Peter's as of now is to be a "Clustered Parish" with St. Mary's/Sacred Heart in Norfolk. The definition for "clustered" is: two or more parishes collaborate on a common mission to serve those within a geographical area. They share personnel, resources, and programs, but they continue to exist as distinct parishes. They have their own parishioners, parish church and finances. They may share the same pastor, staff, and parish office. Other churches in the Rural Central Deanery may include **Stand Alone:** a traditional parish with its own pastor, parish church, finances, councils, staff and office. **Consolidated Parishes:** One parish retains its corporation and parish name while the other corporation is dissolved. The parish campus is used for as long as it continues to serve the mission.
