Question of the Week – How Can we and our children get more out of Mass? Matthew Kelly says, "Having prepared for Mass, the next step is to approach Mass with an open heart and mind- expecting God to communicate with us." When you walk into Mass next Sunday, simply ask God in the quiet of your heart, God, show me one way in this Mass that I can become a better version of myself this week! Then Listen!! A critical component of successful relationships that is missing from our spiritual lives is listening. Listen to what God is saying to you in the music, through the readings, and in the Homily. Listen to the quiet of your heart. The one thing will strike you, and once it is revealed to you, spend the rest of the Mass praying about how you can live that one thing in the coming week.
