Question of the week- What are the Sacraments of the Catholic Church? A sacrament is a sacred and visible sign that is instituted by Jesus to give us grace, and undeserved gift from God. Christ was present at the inception of all the sacraments, which He instituted 2,000 years ago. Christ is also present every time each sacrament is celebrated. The Catholic Church has all of the seven sacraments instituted by Christ, which includes Baptism, Confirmation, Eucharist, Reconciliation, Anointing of the Sick, Holy Orders and Matrimony. The Catechism of the Catholic Church explains that "the seven sacraments touch all the stages and all the important moments of the Christian life."
