**Question of the Week – How can we and our children get more out of Mass?** Understanding the Parts of Mass, and being engaged in them, is another way of getting more out of Mass. The Introductory Rites are: entrance procession and song, a greeting, the sign of the cross, the Penitential Act, the Gloria, and an opening prayer. Let's start with the Entrance Procession and song- Like every single part of the Mass, the opening song and procession have intended meaning. It is designed to bind us together as a community; to be united. The song is meant to lead our thoughts to the mystery of the particular feast or season. Engage: Make an effort to sing, or at least follow the words of the song, and reflect on how they comfort or even challenge you.
