Advent

How are we preparing our hearts
for the greatest gift we've ever been given?

"It's beginning to look a lot like Christmas," or, at least that's the assumption based on that familiar holiday song. But what does that look like at your house? Through an exploration of the mystery of the Incarnation, the Virgin Birth, and the events surrounding the arrival of Jesus, this Advent study offers an opportunity to experience the joy of the true meaning of Christmas.

This video series and discussion is offered in McCauley Hall, lower level.
