St. Vincent dePaul

Members of the Society of St. Vincent dePaul are men and women who strive to grow spiritually by offering person-to-person service to individuals in need. All of us are blessed with an awareness that our blessings (time, talent and treasure) are to be shared with our brothers and sisters in need. We are part of an international society of friends united by a spirit of poverty, humility, and sharing which is nourished by prayer and reflection, mutually supportive gatherings and adherence to a basic Rule. The Society of St. Vincent dePaul offers tangible assistance to those in need. This aid may take the form of intervention, consultation, or often through direct dollar or in-kind service.

An essential precept of the Society's work is to provide help while conscientiously maintaining the confidentiality and dignity of those who are served. The Society recognizes that it must also assume a role of advocacy for those who are defenseless or voiceless.
