### TREASURES FROM OUR TRADITION

It's midsummer day! We have the advantage of celebrating one of the great hidden treasures of our liturgical calendar on a Sunday this year. There are only three "nativity" feasts on our calendar: for the Lord, the Blessed Mother (September 8), and today's birth of the Baptist. Today's date is anchored by the Annunciation (March 25), when Mary learns not only of her own child's advent, but of Elizabeth's child. We are exactly half a year away from Christmas Eve. There are strong traditions around this feast. Just as the winter solstice provides a rich vocabulary for Christmas, so does the abundance of light at midsummer inform this celebration. Just as at Christmas, a religious festival spills over into culture. As summer light reaches its peak, the sun-drenched zones of northern Europe see people staying up all night, lighting "St. John's fires" in the long summer twilight. Bonfires seem to be the unifying force in all these celebrations, kindled along the shores of the St. Lawrence in Quebec and Montreal, with harbor illuminations in France. You may be most interested in the custom in San Juan, Puerto Rico, the Baptist's own city. People there will leap into the sea between midnight and dawn to honor John. Why not find your way to a pool, a lake, or a sandy beach today and plunge in to recall your baptism? It's a tradition!

### NEWS FROM PRIESTS FOR LIFE

#### Telling the Truth like John the Baptist

John the Baptist preached the truth boldly, without sugar-coating it. In a Culture of Death, we must do the same. In "The Gospel of Life," Pope John Paul II put it this way:

"The acceptance of abortion in the popular mind, in behavior and even in law itself, is a telling sign of an extremely dangerous crisis of the moral sense, which is becoming more and more incapable of distinguishing between good and evil, even when the fundamental right to life is at stake. Given such a grave situation, we need now more than ever to have the courage to look the truth in the eye and to call things by their proper name, without yielding to convenient compromises or to the temptation of self-deception. In this regard the reproach of the Prophet is extremely straightforward: "Woe to those who call evil good and good evil, who put darkness for light and light for darkness" (Is 5:20). Especially in the case of abortion there is a widespread use of ambiguous terminology, such as "interruption of pregnancy", which tends to hide abortion's true nature and to attenuate its seriousness in public opinion. Perhaps this linguistic phenomenon is itself a symptom of an uneasiness of conscience. But no word has the power to change the reality of things: procured abortion is the deliberate and direct killing, by whatever means it is carried out, of a human being in the initial phase of his or her existence, extending from conception to birth" (EV n. 58).

### TRADICIONES DE NUESTRA FE

Hoy recordamos a san Juan Bautista, primo de Jesucristo y precursor del Mesías. Juan se hizo famoso predicando la penitencia y bautizando con agua, insistiendo que vendría uno que bautizaría al mundo con fuego y el Espíritu Santo. Hoy es uno de los santos más festejados en el mundo, especialmente en zonas donde su fiesta coincidía con la llegada del verano.

Para celebrar a este santo pariente de Jesús la gente en Alicante, España, hace fogatas durante la noche de su vigilia y baila en torno a ellas. En América el pueblo boliviano también recibe al santo con hogueras, para quemar la tierra en busca de fertilidad y purificación. Los bolivianos también festejan echándose agua los unos a los otros.

San Juan ha sido honrado en el hemisferio americano desde 1509 cuando Juan Ponce de León nombró la Isla de Puerto Rico en su honor. También allí hacen el juego del agua en la fiesta de san Juan ya que los fieles se echan de espaldas al océano tres veces en busca de purificación y celebración.
