**Year of Encounter with Pope Francis Saturday, May 30**

Do you remember *Arise*, the faith formation program many participated in 5 years ago? We are about to embark on a new

*Arise* like adventure journeying with Pope Francis preparing for his visit to United States in September of 2015.

For six weeks we once again will be forming small faith communities to explore what Sacred Scripture and Pope Francis is calling us to do as we seek to build God's Kingdom here on earth. Fr. Brian, Fr. Frank and a few parishioners recently spent three days in Philadelphia learning about this opportunity and being trained to facilitate the conversations that this program calls us to have. Please join us for more information on Saturday, May 30 in the chapel at St. Mary's. We will begin with Mass and then followed by our information session.

***Please join us to learn more and bring a friend!***

**That They May Be One**

Have you ever played a team sport? When the team plays as one, they are more apt to win. But even if they don't win, they still share in the knowledge that they did the best they could. Jesus prayed that his disciples and those who followed them would be one. That they would be one just as the father and he are one. What would it be like if we all acted as one in Christ? How would our families be different, our communities, our church, our world? What we need to remember, is that this is a unity based on love. Our readings the past few weeks from the First Letter of St. John as well as from the Gospels have been about love. God is love and we are told that as long as we remain in love, God remains in us. Last week we were told the secret to the joy we are told about this week – loving one another! It is so easy in our world today to create division. The politicians don't even bother to listen to one another since they might find a good idea in what their opponent says. The media follows every instance of wrongdoing and hypes those circumstances that will create conflict and chaos. This is not to say that there have not been, nor will most likely be instances of real wrongs, but the way it is presented by the media often creates more problems than it solves. That they may be one! Hate and fear divide; love unifies. Let us work at looking for the things that unite us and also work at those that divide and see if we can help bring about the unity for which Jesus prayed.

**LECTIO DIVINA**

Lectio Divina leads to the understanding that Jesus Christ is the heart of the Scriptures. In Scripture, we seek Jesus, who is the way, the truth, and the life. We discover that every word of the Bible bears witness to the living Word who is Christ. And through Lectio Divina, we enter into a heartfelt conversation with him. Starting this week, we will be meeting to learn about and pray 'Lectio Divina'. Everyone is welcome to join us from 6:30pm to 7:30pm on the **first and third Mondays** in the rooms next to the St. Mary's Chapel. Our next gathering is **Monday, May 18**. Questions? Please speak with Fr. Brian.

**WELCOME TABLES**
