Our Credo

We the members of Holy Cross and St. Katharine Drexel seek to accompany all who desire on their faith journey. It is our desire to live with intentional faith; therefore our vision is simple:

Discover, Live & Share Jesus!

Becoming the Body of Christ for each other

**October 14, 2018
28th Sunday in Ordinary Time**

To live the vision

To live the vision

Last week, we took an important step with our new joint-parish bulletin. It is essential that we communicate well so we can have a strong partnership and witness as fully as possible our simple but powerful vision: **Discover, Live & Share Jesus!**

We do this with the understanding that each of our parish communities is an essential part of the Body of Christ but only together do we become The Body of Christ. It is with this understanding that we enter into a true partnership that honors and upholds the dignity of each but calls us to be the one family of God. Please notice the pictures of each church at the top of the bulletin under our new logo. It recognizes the two unique parishes (each a part of the Body of Christ) that are coming together in our efforts to be The Body of Christ.

The new logo itself also reflects this partnership. The cross that is part of the **KCP** in the logo speaks to the heart and soul of our faith, the life of Jesus Christ that calls us to this journey in which we seek to be intentional disciples. The waves speak of the water of life, the water of baptism in which we are all called to live our baptismal promises to be priest, prophet and king. Our vision statement is part of the logo and speaks to the essence of our faith journey. The title, **Kaukauna Catholic Parishes**, identifies our unified efforts, and each individual parish name speaks to who we are and how we understand the gifts of each and seek together to be the Body of Christ for each other, our city and our world.

Yes, our joint-parish bulletin is an important tool in order for us to live our vision. It is a visible sign of our unified efforts. It is a good start.....

An invitation

This last week, I received requests to have another joint-parish listening session because several were unable to make it to the one we had last weekend. **In light of these requests, another joint-parish listening session is scheduled for Saturday, October 20, at 10 am at St. Katharine Drexel - St. Mary cafeteria.**

Misunderstanding comes from assumptions and snap judgments. Sometimes we make judgments, and we don't have all the information we need. We might have heard a perspective, and we base the decision or judgment without discovering all the information. This is about making sure any assumption that we make is based on as much information as possible to see if that assumption is correct. It means we have to be open to hearing a different perspective to gather the information needed. Then we can discover if what we think is happening is actually happening and what this is all about. I urge you to gather the information you need, then take time to ask the questions you need to ask in order to have as much information as possible. The vision, the plan, and the efforts to have a true partnership are based on many discussions, many perspectives and a lot of prayerful discernment. I urge you to seek understanding for anything that is not clear and not simply make assumptions.

If you could not make the first meeting, it is my hope that you will make every effort to attend on Saturday, October 20th. It is only through open and honest conversation that we will find understanding.

Peace and Joy,

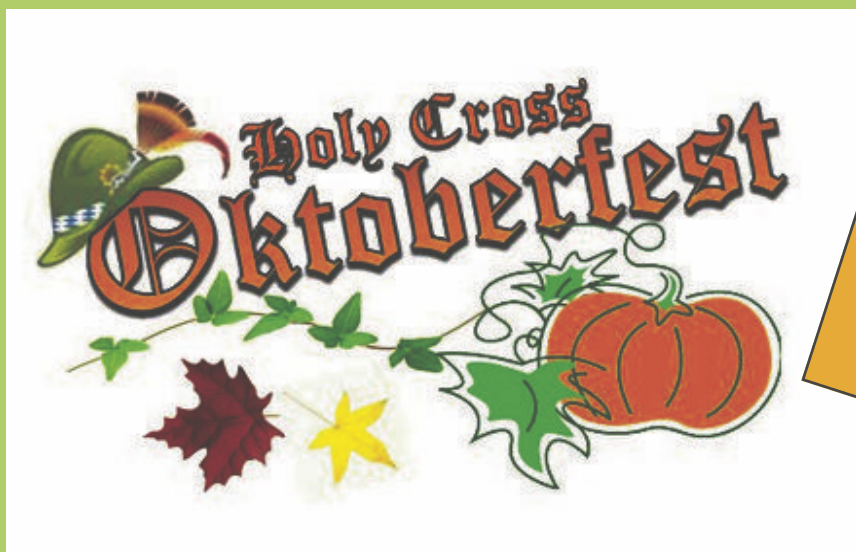

Fr. Don Everts

Celebrating Homecoming Week 2018!

Excited about our Discipleship Program

The KCP (Kaukauna Catholic Parishes) **Discipleship Program** is off to a GREAT start! With the parishes linking, we are happy to announce our new roles in the **Discipleship Program**, formerly called the Faith Formation Program. We are a team, excited about working together to **Discover, Live and Share Jesus** with our students.

Grades one through five are coordinated by Mrs. Jackie Wallace and Mrs. Sue Zwiers.

Grades six through eight are coordinated by Mr. Nick Wiegert and Mrs. Gloria Ackerman.

Grades nine and ten and Confirmation are coordinated by Mrs. Jennifer Wippich.

Discipleship Program is coordinated by Mrs. Gloria Schuh.

We look forward to working with the students of all ages to bring them closer to Jesus.

Brown County Bookmobile fall/winter schedule

The bookmobile’s schedule for the Hollandtown community stop is the third Tuesday of the month (**4:30 to 6:30 pm**) **October 16, November 20, December 18.** It has something for all ages. Come see what they have to offer.

**at Kaukauna
Catholic Parishes**

Please contact Kim or Donna at 766-1445 **ASAP** if you can commit to one hour of adoration. Current hours are **Mondays from 8 am until 4 pm** at Holy Cross and **Tuesdays from 9 am until 8 pm** at St. Mary Church. We will start a schedule of adorers at both churches. Your calls will help us determine if we can fill both days or if we need to shorten the hours. We would love to see both churches with many adorers because miracles happen when communities have strong support for Adoration of the Blessed Sacrament.

We all look forward to the Popcorn Factory!

Popcorn Factory begins production Monday, October 29, from 7:30 am-noon in the cafeteria at the St. Mary site. We encourage men **and** women parishioners to consider volunteering. We can use about 20 people each time. Come when you can. **We had a \$6,200 profit last season!** Coordinators: Pat Ryan, Sharon Lettau, Ellie & Marv Hietpas

Why we sing the Liturgy

Sing to the Lord provides nine reasons in its opening section. A simplified version is: because (1) God gave us a voice and God gave us song; (2) song leads to higher things – and is accessible to others – a sign of love; (3) our ancestors, the Jewish people sang; (4) Jesus sang; (5) singing expresses our faith, making the prayer “more alive and more fervent”; (6) singing is based on the sacramental principle of signs – “we use words, gestures, signs and symbols to proclaim Christ’s presence and reply with our worship and praise”; (7) the basic song is the canticle of victory over sin and death; (8) the paschal hymn continues into the world; (9) sung participation plays a role in the normal consequences of the liturgical celebration – namely charity, justice, and evangelization of all. These nine reasons present an ideal, a vision of what is possible, a more complete “full, conscious, active participation in the Mass.” Rev. Virgil C. Funk, GIA Quarterly, Volume 26, Number 2, GIA Publications, INC. Used with permission.
