ST. JOSEPH CATHOLIC CHURCH

FROM FR. MIKE:

The best way to be part of a welcoming parish is to participate in parish activities, and there is no easier way to signify that than by getting your household into the Pictorial Directory. It is not too late to schedule your photo session (see the info on the back of this bulletin), and remember that if you not available next week, there will be another opportunity to get your picture taken this summer.

Another way any of us can be a contributor to our parish's welcoming spirit is to make sure we continue to welcome Jesus into our own lives. It is difficult to receive Jesus in others if we are not receiving him in our hearts. Paul reminds the Corinthians in today's second reading that the church speaks "a wisdom to those who are mature, not a wisdom of this age." A mature Catholic is one who is constantly studying the Scriptures, which itself is the written wisdom of God, and the teachings of the church. What percentage of your reading or consumption of media is spent absorbing this wisdom? I find that I need constant exposure to specifically Catholic resources, otherwise it is too easy to absorb the "wisdom of this age" and miss out on the deeper, richer, and truer wisdom of our faith. Besides, can science, modern philosophies, or current approaches to life replace the profound and timeless wisdom that "God predetermined before the ages," nor promise to truly help us when that same wisdom is "for our glory?"

DE PADRE MIGUEL:

La mejor manera de formar parte de una parroquia acogedora es participar en actividades parroquiales y no hay manera más fácil de hacer eso que haciendo que su hogar entre en el Directorio Pictórico. No es demasiado tarde para programar su sesión de fotos (vea la información en la parte de atrás de este boletín), y recuerde que, si no está disponible la próxima semana, habrá otra oportunidad para sacar su foto este verano.

Otra forma en que cualquiera de nosotros puede ser un contribuyente al espíritu acogedor de nuestra parroquia es asegurarnos de seguir recibiendo a Jesús en nuestras propias vidas. Es difícil recibir a Jesús en los demás, si no lo estamos recibiendo en nuestros corazones. Pablo recuerda a los corintios en la segunda lectura de hoy que la iglesia habla "una sabiduría para aquellos que son maduros, no es una sabiduría de esta era". Un católico maduro es aquel que está constantemente estudiando las Escrituras, que es la sabiduría escrita de Dios, Y las enseñanzas de la iglesia. ¿Qué porcentaje de su lectura o consumo de medios de comunicación se gasta absorbiendo esta sabiduría? Necesitamos una exposición constante a los recursos específicamente católicos, de lo contrario es demasiado fácil absorber la "sabiduría de esta época" y perder la sabiduría más profunda, más rica y más verdadera de nuestra fe. Además, ¿puede la ciencia, las filosofías modernas o los enfoques actuales de la vida reemplazar la sabiduría profunda e intemporal que "Dios predeterminó antes de las edades", ¿ni la promesa de ayudarnos verdaderamente cuando esa misma
