From Father Mike

When Jesus says, "I am the vine, you are the branches," we know as branches that we stay connected to the vine by staying connected to the church. You probably have noticed on the front of this bulletin a reference to the myParish app that you can download for free on your smartphone or tablet. This is part of the updating of our communication to the parish and beyond. Besides having instant access to our bulletin and parish calendar, it has a messaging feature where you will receive occasional reminders of upcoming events. Personally I am already using the feature of the daily readings (both English and Spanish) as a convenient tool for praying with the scriptures each day. The Prayers button is introducing me to a few new prayers and make handy several old standards that are now all together in one place. This combination of both local content and resources from nationally recognized sources makes this free application worth the space it will take up on your device. Beyond that, I find it helpful, even before even opening the app, to be reminded every time that I look at my device that I'm a Catholic branch who is connected to the community vine of St. Joseph.

Del Padre Miguel

Cuando Jesús dice: "Yo soy la vid y vosotros son las ramas," sabemos como ramas que permanecemos conectados a la vid al permanecer conectados a la iglesia. Probablemente hayan notado al frente del boletín una referencia a la aplicación myParish que pueden descargar gratis en su celular o tableta. Esto es parte de la actualización de nuestra comunicación a la parroquia y más allá. Además de tener acceso instantáneo a nuestro boletín y calendario parroquial, tiene una función de mensajería en la que recibirá recordatorios ocasionales de próximos eventos. Personalmente, ya estoy usando la función de las lecturas diarias (tanto en inglés como en español) como una herramienta conveniente para orar con las Escrituras todos los días. El botón Oraciones me presenta algunas oraciones nuevas y hace útiles varios estándares antiguos que ahora están todos juntos en un solo lugar. Esta combinación de contenido local y recursos de fuentes reconocidas a nivel nacional hace que esta aplicación gratuita valga el espacio que ocupará en su dispositivo. Más allá de eso, me parece útil, incluso antes de abrir la aplicación, recordar cada vez que miro en mi dispositivo que soy una rama católica que está conectada a la comunidad de San José.

SOLEMNITY OF THE ASCENSION

Since 1999, the United Conference of Catholic Bishops has allowed American dioceses to move the Solemnity of the Ascension, normally 40 days after Easter or on the Thursday of the Sixth Week of the Easter Season, to the following Sunday. Most dioceses, including Lafayette, has chosen that option, while a few, including some larger East Coast dioceses, did not. Both are marked on various calendars, including the free ones given out at the parish. So we are celebrating Ascension in 2018 on Sunday, May 13.

SOLEMNIDAD DE LA ASCENSIÓN

Desde 1999, la Conferencia Unida de Obispos Católicos ha permitido a las diócesis estadounidenses trasladar la Solemnidad de la Ascensión, normalmente 40 días después de la Pascua o el jueves de la Sexta semana de la temporada de Pascua, al domingo siguiente. La mayoría de las diócesis, incluida Lafayette, eligió esa opción, mientras que algunas, cuales son diócesis más grandes de la costa este, no lo hicieron. Ambos están marcados en varios calendarios, incluidos los gratuitos otorgados en la parroquia. Así que estamos celebrando la Ascensión este 2018 en el domingo 13 de mayo.
