From Father Mike

Later this month we will be welcoming among us one of our diocesan seminarians for this coming summer. Liam Thompson is finishing his first year of Pre-Theology at Mundelein Seminary in the Chicago area. If this seminary sounds familiar, it's because it is the same one I graduated from 25 years ago. Liam has roots in Westfield down near Indianapolis, and he has a background in ministry as he worked on the staff at St. Alphonsus Catholic Church in Zionsville, also down near Indianapolis. One of the goals of a summer assignment is for our seminarians to experience life in our parishes, and Liam has been specifically assigned to this area to get a sense of the more rural part of the diocese. This will include showing up to activities with our Latino Catholics in Akron and the people at the smaller parishes in Monterey and Kewanna. I would encourage you to consider inviting him to your home so that he could at least experience the best part of the parishes in this part of the diocese, namely the fabulous cooking! And continue to pray for our seminarians, especially Sean Aaron getting ordained a transitional deacon and Deacons James D'Oreo and Christian DeCarlo getting ordained priests on Saturday, June 2.

Del Padre Miguel

A finales de este mes recibiremos a uno de nuestros seminaristas diocesanos para este próximo verano. Liam Thompson está terminando su primer año de Pre-Teología en el Seminario Mundelein en el área de Chicago. Si este seminario suena familiar, es porque es el mismo del que me gradué hace 25 años. Liam tiene raíces en Westfield, cerca de Indianápolis, y tiene experiencia en el ministerio, ya que trabajó en el personal de la Iglesia Católica de St. Alphonsus en Zionsville, también cerca de Indianápolis. Uno de los objetivos de una tarea de verano es que nuestros seminaristas experimenten la vida en nuestras parroquias, y Liam ha sido asignado específicamente a esta área para tener una idea de la parte más rural de la diócesis. Esto incluirá la presentación de actividades con nuestros católicos latinos en Akron y las personas de las parroquias más pequeñas de Monterey y Kewanna. Los animo a que consideren invitarlo a su casa para que al menos pueda experimentar la mejor parte de las parroquias en esta parte de la diócesis, ¡la fabulosa cocina! Y continúen orando por nuestros seminaristas, especialmente Sean Aaron que será ordenado Diácono y los Diáconos James D'Oreo y Christian DeCarlo que serán ordenados sacerdotes el sábado 2 de junio.

CHURCH INTERIOR WORK

As you can see from the scaffolding inside the church, work has begun on repairing the ceiling beams towards the front of the church that have been sagging. After a recent inspection by a professional engineer, it was determined that this needed for the long term safety and structural integrity of the church. Thank you for your ongoing financial generosity that has made possible this important repair work.

REPARANDO EL INTERIOR DE LA IGLESIA

Como puede ver del andamio dentro de la iglesia, el trabajo ha comenzado de arreglar las vigas del techo que están en la parte del frente de la iglesia que se han combado. Después de una inspección reciente realizada por un ingeniero profesional, se determinó que este trabajo era necesario para la seguridad y la integridad estructural de la iglesia a largo plazo. Gracias por su continua generosidad financiera las que ha hecho posible este importante trabajo de reparación.
