## From the Pastor

Dear Parishioners,

An encounter with John the Baptist was never a particularly pleasant event. Aside from hygiene issues and a diet of locusts and wild honey (can you even imagine?!), John was a controversial figure no matter how you approached him. Welcomed by the crowds of ordinary people, he preached something that was largely unaccessible to them: a simple path to forgiveness and reconciliation with God. John didn't accomplish this on his own, but rather pointed to the One who is to come to make all things right. Acknowledging your sins and making a firm commitment to turn away from the things that block God's love in our lives will make ready our hearts to receive the great gift of Salvation in Christ. His words are as true today as they were several millennia ago.

What John wouldn't tolerate, what he had no time for, was falsity and pretend. There were two reasons for this. First, God knows what is in people's hearts long before they ever get around to approaching Him. There is no fooling God! So let's not waste time dancing around the harsh reality of sin and death in our lives. If you want to live, name your sins and be done with them. Otherwise, get out of the way of those who do! The second reason is that time was precious. John knew he had only a short amount of time to herald the coming of the Savior. He knew he was offending those who thought themselves to be righteous and in no need of conversion. He also knew that the moment of Christ's coming was imminent. So, he had to reach as many people as possible, try and touch as many hearts as he could so that the Son of Man would find a welcome upon His arrival...their hearts docile to His Word.

In many ways, Advent is our time to embrace John's message and take up his efforts to prepare the way of the Lord. I cannot recommend a strict diet of locusts and wild honey and in these winter days definitely suggest wearing more than camel's hair and leather belt...but we must make John's mission our own. No one likes to be reminded of their own sinfulness. No one likes to be called-out by another or challenged to re-think how they are living their lives. Yet if we don't engage the demanding persona and mission of the Baptist, will we truly be ready to greet the Lord when He comes? If we have patterns of un-repentant sin in our lives, it will block our ability to see and be part of what God is doing in our midst. If we constantly fail to see our need for on-going conversion and repentance, can we really hope to be part of the fullness of God's Kingdom?

Advent reminds us that we still have time, but that there is an urgency to make things ready. Just look at all the preparations we go through to celebrate "the holidays" with all of our human guests. What might we need to do to welcome the Divine?

Pastor

## Centering Prayer for Advent

As the days shorten and we enter the darkest season of the year we light Advent candles and anticipate the coming of our Savior Jesus, the light of the world. In the busyness of preparing for Christmas we may miss the gifts of Advent. Waiting with trust in God's promise of love that saves, deepens our faith and we become people of true hope who loved by God are able to love.

During Advent please consider joining us weekly for Centering Prayer. As we enter the silence of God's love we assent to God's presence and action within us. We say "Yes" to His invitation to be transformed into people of true hope. Simply resting in God in silence, we surrender and come to know in our hearts God's unmerited, unconditional love for us and transformed by this grace we can share His love in daily life.

All are welcome to join us as we pray in this ancient Christian tradition and together prepare this Advent to welcome the Savior into our hearts and our lives.

The Centering Prayer group meets every Wednesday evening from 6:00pm to 7:00pm in the IC Parish Center Nazareth Library. For more information please contact Elizabeth McCarthy, 978-462-7483.

## From the Parochial Vicar

**“Well done good and faithful servant.”**

The parable of the talents found in Matthew 25: 14–30 inspired 80 parishioners/families to take up the challenge and use a talent (\$5.00) I gave at church a couple of weeks ago to produce a great abundance to aid in the charitable works of the Saint Vincent de Paul Societies of our Collaborative. To date I have received \$1,058.00! Thank you and well done. Here are a couple of great stories. Luis Lebron writes: “I accepted the challenge, took your \$5.00 to Minuteman Press in Newburyport, and had 10 tickets printed. Each ticket asked for a \$20.00 donation to the St. Vincent de Paul fundraiser, in lieu of which the person would receive one hour of free carpentry or painting to be done by me. I sold the ten tickets, and so here is your \$200.00 to St. Vincent de Paul.” And from an anonymous participant: “I bought a box of chocolates with the \$5.00 you gave me, I found a sale for buy one get one free so the box only cost \$5.00. I brought the box to our family Thanksgiving dinner. Opened the box and placed it in the other room away from the dining room with this sign on it: Chocolates for St. Vincent de Paul—All donations will be used to help the poor—Please donate as you enjoy the chocolates!! I put out a container marked: St. Vincent de Paul. There were only 12 of us but I collected \$17.00.” Once again, thanks to all those who took up the challenge of the talents. More updates to follow and good stories too!

–Fr. George

## Scripture Study

**Scripture Study will meet on January 7, 2018**

**Note Change in Schedule**

Father Broderick's Scripture Study will **not** meet on December 17 on the regular scheduled third Sunday of the month but will resume its regular schedule on January 7, 2018 at 2:00pm in the IC Parish Center. This would be an ideal time for interested members of the Collaborative to join the study group as we begin reading St. Paul's *Epistle to the Romans*. This letter was probably written in Corinth several years prior to Paul's actual arduous voyage to Rome as a prisoner. This is Paul's longest letter and widely considered to be his masterpiece. We will read and discuss Chapters 1 through 3.

Our beloved teacher, Father Broderick, not only explains the meaning of the Scripture passages, but also presents rich description of the period and places cited, as well as the culture and practices of the people involved. He connects the events in the New Testament to Old Testament prophecies and events, as well as to our own time. This is a worthwhile way to spend an hour and fifteen minutes on a Sunday afternoon. All are invited to attend these sessions and grow in knowledge and faith.

## Youth Masses

Youth Masses are celebrated as a collaborative. Students take part in the ministries during the Mass. Folk music, with guitar, is featured. Youth Masses begin at 5:00pm. All ages are welcome to this lively celebration.

## SVdP Advent Project

*"Whatever you did not do for one of the least of these, you did not do for me." Matthew 25:45*

How can we respond to the lesson provided in the Gospel of Matthew? Where do we find people in need of clothes, or food, or shelter? Members of the Society of St. Vincent de Paul strive to be responsive to the Christian calling to seek and find the forgotten, the suffering, or the deprived so that we may bring them God's love. You can **help us help others** during Advent by donating gift cards from grocery stores, department stores, gas stations, and pharmacies.

The donated cards can be placed in the collection basket during any of the Masses during Advent. Donors of the gift cards can be assured that their generosity provides a meaningful, helpful response for a local neighbor during a time of need.

What we do for the poor is not something we do for God; our work is what we allow God to do through us.

## Christmas Flower Envelopes

We are taking monetary donations and memorials for the purchase of flowers for the church for Christmas. You can find the flower envelope in your envelope packet or in the back of the church. It is helpful if you do not have flowers delivered to the church but allow us to purchase them. The deadline for donations is December 11 at noon.

## IC-Haiti Update/Collection

The second collection for IC-Haiti will be taken up the weekend of December 16-17. We hope you will continue to support this outreach service program we as a parish have taken on since 2009. The Fr. Marc Piché Immaculate Conception elementary school in Puit Chacha offers a quality educational program and hot meals to over 200 students within a well-constructed school building that has provided shelter to the local residents during storms.

Recently we received the following note of gratitude from our colleagues at the Saint Boniface Haiti Foundation:

"Thanks to IC Haiti for their support of the Fr. Marc school, which is helping increase access to high quality education for children in the Fond des Blancs area. As IC Haiti and St. Boniface Hospital have increased the number of good jobs in the area, more and more children look forward to staying in their community and giving back by working at the hospital, in the schools, or in other businesses that have grown up in the community because of these opportunities and services. The Fr. Marc school is starting many young people on this path and is a key part of the region's development potential."

Thank you, fellow IC parishioners, for choosing to see the needs of our Haitian brothers and sisters in Christ and for continuing to support them through IC-Haiti.

## IC Religious Education

### *Amoris Laetitia*...Pope Francis

Pope Francis released the Exhortation on the Family. We continue to review the various statements from the Holy Father.

*A love that reveals itself and increases:* In #135: It is not helpful to dream of an idyllic and perfect love needing no stimulus to grow. A celestial notion of earthly love forgets that the best is yet to come, that fine wine matures with age. As the Bishops of Chile have pointed out, "the perfect families proposed by deceptive consumerist propaganda do not exist. In those families, no one grows old, there is no sickness, sorrow or death.... Consumerist propaganda presents a fantasy that has nothing to do with the reality which must daily be faced by the heads of families". It is much healthier to be realistic about our limits, defects, and imperfections, and to respond to the call to grow together, to bring love to maturity, and to strengthen the union, come what may.

## Holy Redeemer Giving Trees

The Giving Trees are placed in the churches at the beginning of Advent to help us aid area programs for people in need during the Christmas season. We are currently giving to five programs: Emmaus, Inc. in Haverhill, The Holiday Helper Program for the Pentucket Area, Pregnancy Care Center in Haverhill and Newburyport areas, Lazarus House Ministries in Lawrence, and our St. Vincent de Paul Society. Some of the tags on the trees are for specific items that the groups are requesting, including toys, clothing, and food pantry items. Please return the unwrapped gifts with the tags to the churches by **this weekend, December 9-10.** This allows time for us to deliver them to the programs to be distributed in time for Christmas. We would ask if you take a tag and can't find the specific item that you either return the tag as soon as possible or consider getting a gift card. Thank you for all your generosity in the past, present, and future. Questions? Call Dottie Carr, 978-363-2909.
