## From the Pastor

Dear Parishioners,

I don't know about you, but I have been watching with great anticipation our little rectory garden of tomatoes and herbs. Planted a number of weeks ago, I am eager for it to produce some "real" tomatoes that actually taste like tomatoes! The fresh, aromatic herbs are a bonus crop that will accentuate summer meals to come. Most of us today are not farmers nor do our livelihoods depend on growing and harvesting food from the ground. We are much more likely to get our produce from Market Basket, Shaw's, or the West Newbury Food Mart. Maybe a green-thumbed neighbor or relative will augment our weekly intake with some fresh veggies when they come in season. But we have mostly lost the hands-on, direct connection to the land that many of our ancestors once had. So much of our agriculture these days is automated, and with a global economy and marketplace, there is little we cannot import and acquire, no matter what time of the year it is. Want fresh blueberries in February? No problem! They may be flown-in from Costa Rica, but you can get them. They won't taste quite as good as the local ones, but they will be blue

and edible.

Something that was very accessible to the people of Jesus' time and place were the multitude of references in the Gospels to sowing seeds and growing food from the earth. They knew the basics of when and what to plant, how to nurture their crops, when to harvest, etc.... But the real mechanics of biology—exactly how the plants grew from seeds in the ground—were a bit of a mystery. To the average person, this left room to appreciate God's hand in producing the life-sustaining food they depended on. God made the soil fertile, God brought the rain and sunshine in proper order to enable growth. God was the one who designed the lifeless seeds in such a way that when buried in the ground under just the right conditions, they would sprout, grow, and in time bring about an abundance of produce. The farmer was someone who cooperated with God's grand design of nature and one who sought a right relationship with God and with the earth. There was a spiritual harmony evident in it all.

Appreciating this, however, required a healthy dose of humility before the mystery that is God, and our proper place as creatures. At best, and with great dignity, we are co-creators with God, cooperators with God's plan for all of creation. This weekend's Scriptures invite us to consider the raw power of God's Kingdom—that when it is made manifest, the tiniest of things can become the greatest of accomplishments, that what is low will be brought high, that God will bring about tremendous growth according to God's own purposes. We can fight this and try to manipulate and control what God is doing, or we can humbly cooperate with what God is already achieving. In some ways, it is an invitation to appreciate the master designer and His handiwork in creation, realizing that this is a lens to be used in our understanding of any interaction we have with God. Want to know about God's Kingdom? Look at the kingdom of the earth and see the multitude of lessons played out before us.

St. Paul had it right when he wrote: "Therefore we aspire to please Him." Serving God, doing what is right according to God's plan is our proper stance before the mystery of God's love for us. It is our sure path to holiness and peace. It will lead to a rich harvest of justice and righteousness, not only now, but in the fullness of God's Kingdom that is yet to come.

Meanwhile, I'm still waiting for my tomatoes! The Lord teacheth patience and humility....

Summer blessings,

Fr. Timothy Harrison, Pastor

### Spiritual Adoption Program

Watch here each month for the Baby's Development. Thank you for participating in this Spiritual Adoption program.

#### Fifth Month:

This month marks the halfway point to birth, and the baby is very active. Sleep habits develop and the mother can feel him/her move and stretch, particularly when mom is resting. Baby is big and strong enough to kick hard against the outside uterine wall and dent it. Up to now, although s/he swam with ease in his or her watery world, the baby was too small for the mother to detect because the inside wall of the uterus has no feeling. Babies born at this age have survived.

## IC Online Giving

Immaculate Conception Parish provides Online Giving—a convenient and safe way to make a one-time or a recurring (weekly) donation. Getting started is easy—you need to be a registered member of Immaculate Conception Parish community. (At this time, Online Giving is available for only IC members.) Registration forms are available in the foyer of the church or at the parish office. Once you register, visit our website, [hricatholic.org](http://hricatholic.org) and click the “Links” tab, then click on “Online Giving” to get to the site. There are four different funds you can choose to contribute to. If you manage your other bills online, why not give to your Church online? It is safe and secure and you get to decide exactly when and to where your gift will be made. Any questions? Contact Linda Temple, IC Administrative Assistant 978-462-2724 x7404.

## Consolers Circle Meal

The IC community offers a light meal to families who have lost a loved one. The meal, provided by volunteers, is held in St. Louis Hall following the funeral Mass. Our hall holds up to 75 people, and there is no charge for this service. Donations are accepted. Inform the funeral director that you request this service when making arrangements.

## Pre-Planning/At-Need Burial Space

Immaculate Conception Parish owns and operates a private cemetery located on Storey Avenue. St. Mary's Cemetery is a 35-acre cemetery with consecrated grounds that provides tranquility and peacefulness at those difficult times that we all are faced with. Please visit the parish cemetery and you will find the cemetery to be well-managed and maintained. Cemetery plots are available for full-body and cremated remains burials in any denomination. Call Joseph Viel, Superintendent, at 978-208-0266 to schedule an appointment.

## The Compassionate Friends

The Compassionate Friends (TCF) of Greater Newburyport provides support for bereaved families after the loss of a child, grandchild, or sibling—any age, any cause.

Our monthly support meetings are held in the IC Parish Center, Room 209 at 7:30–9:00 p.m. on the fourth Monday of the month. Our next meeting is **June 25**.

## Knights of Columbus

The Knights of Columbus Newburyport Council 231 was founded in 1897. If you are interested in helping those in need, serving our parish, growing in faith, obtaining exclusive access to top-rated insurance protections for you or your family, or just connecting with other Catholic men, then the Knights of Columbus is the organization for you.

We welcome new members to this long-standing group of Catholic men. For more information, contact us at (978) 572-0231, [membership@kofc231.org](mailto:membership@kofc231.org).

The next monthly meeting of the Knights of Columbus will be held on **Tuesday, July 10** at 7:30pm in the IC Nazareth Library, Room 205.

## Breaking Bread

The Breaking Bread dinner program is in need of a dedicated volunteer to help in the kitchen once or twice per month. We serve every Tuesday at 5:00 p.m. The time commitment would be no more than 2 hours. Cooks and servers are doing well, but the very small group that keeps the kitchen sink area clean and organized needs help.

We are a “family” of happy and caring volunteers. You would be blessed to be a part of our group. We always leave the Parish Center happy to be a part of such a wonderful group of “kitchen angels.” Please join us!

## IC Religious Education

### *Amoris Laetitia*...Pope Francis

Pope Francis released the Exhortation on the Family. We continue to review the various statements from the Holy Father.

*The Elderly:* In #192: Saint John Paul II asked us to be attentive to the role of the elderly in our families, because there are cultures which, “especially in the wake of disordered industrial and urban development, have both in the past and in the present set the elderly aside in unacceptable ways.” The elderly help us to appreciate “the continuity of the generations,” by their “charism of bridging the gap.” Very often it is grandparents who ensure that the most important values are passed down to their grandchildren, and “many people can testify that they owe their initiation into the Christian life to their grandparents.” Their words, their affection or simply their presence help children to realize that history did not begin with them, that they are now part of an age-old pilgrimage and that they need to respect all that came before them. Those who would break all ties with the past will surely find it difficult to build stable relationships and to realize that reality is bigger than they are. “Attention to the elderly makes the difference in a society. Does a society show concern for the elderly? Does it make room for the elderly? Such a society will move forward if it respects the wisdom of the elderly.”

## HR St. Vincent de Paul Society

There is a wonderful way to honor someone who has requested "No gifts, please." You can send a check to Holy Redeemer Saint Vincent de Paul at 4 Green Street in Merrimac. Your donation will honor someone's celebration and will also help those in need. A note will be sent to let that someone know about the donor's meaningful gift. Donations can be made to celebrate birthdays, anniversaries, and other significant occasions.

If you are writing a check for us, please write the check to HR Saint Vincent de Paul to help expedite our banking.
