ST. JOHN'S SCHOOL - A POSSIBILITY

If you have considered our school for your family but assumed it would be out of your financial reach, please consider it again. Our parish school is entering its second year of participation in both the *Milwaukee and the Wisconsin Parental Choice programs*. Participation in these programs allows us to offer a Catholic Education in our parish community to all families, regardless of their income limitations. Our school personnel would be happy to share information about our school with you. In addition, you can easily access information about our program and the Parental Choice program on our parish website under the school tag, www.stjohns-grfd.org.

This weekend marks the beginning of Catholic Schools Week. To the students at our parish school this week marks the midpoint in the school year, and time for celebration of their education, community, and faith. To our parishioners, it serves as a reminder of an important ministry of our parish; to provide an education in our faith for all who desire one. Today I would like to invite all of our parish families to consider the value of a Catholic education, provided in a school environment recognized for exemplary work.

Fr. Michael and the Parish School Staff

4TH SUNDAY IN ORDINARY TIME

"The people were astonished at his teaching, for he taught them as one having authority and not as the scribes." Those gathered in the synagogue where Jesus taught had never heard anything like this before. They were used to the preaching of the well-educated scribes, but Jesus possessed something that those men lacked: authority. Instead of merely interpreting the laws of the prophets, Jesus presented a new vision, indeed, he shared the good news of the Gospel with his listeners.

We do not have the opportunity to stand in the presence of Jesus in the same way that those first-century Jews did, but nonetheless we can also stand in awe of his authority. His teachings are available to us through the sacred Scriptures that the Church has preserved and through the sacred tradition that the Church carries on. And in a special way, Christ's authority continues to inspire and guide us through the ministries of the papacy, episcopacy, and priesthood that Jesus established on our behalf while he was yet on earth.

As Catholics, we have a special share in the astonishing authority of Jesus through the hierarchy of the Church. Although this structure is often misunderstood or misinterpreted, it is actually an authority rooted in service and modeled after Christ who told his apostles, "The greatest among you must be your servant" (Mt 23:11).

This humble exercise of authority is contrary to the worldly search for power. And whenever we find ourselves in a position of authority, we too should strive to lead and direct others in the true spirit of Christian love and service. Chances are, if we truly imitate Christ in this way, people will be astonished at what they see.

What is the Magisterium?

The Magisterium is the teaching authority of the Church. It consists of the pope and the bishops with him, who are the successors of St. Peter and the Apostles. "The task of giving an authentic interpretation of the Word of God...has been entrusted to the living, teaching office of the Church alone" (CCC, #85). Under the guidance of the Holy Spirit, the Magisterium defines Church doctrine according to what Jesus taught and the Apostles handed on.

Bulletin Deadline is Monday at Noon.
 You may email your item to rectory@stjohns-grfd.org

This weekend marks the beginning of National Catholic Schools Week. We begin this celebration each year with an open house, during which we begin to accept enrollment for the upcoming school year. This year's Open House was on Saturday, followed by a spaghetti dinner for our school and prospective school families. What better way to celebrate our community than to share a meal!

If you did not make it to our Open House, please check out our website: www.sje.k12.wi.us. It has plenty of information about our parish school. We are entering our second year of participation in both the Milwaukee and the Wisconsin Parental Choice families. With a successful first year under our belt, we are looking forward to welcoming new families who desire an outstanding education in a nurturing, faith-filled environment.

Our Catholic faith is at the center of everything we do. Students in our parish school receive daily instruction in religion, work together in teams on prayer experiences and service projects, attend adoration and gather for regular prayer together. This is in addition to attending Mass together each week.

Becoming a member of a school community supported by your own parish is a uniquely gratifying experience for your entire family. Please consider visiting us. I'm sure you will discover what we already know: St. John the Evangelist is a great place to grow!

I hope to see you soon,

Mary Laidlaw Otto, Principal

CATHOLIC NEW YEAR

As Catholics, it would be a good idea for all of us to consider some of these questions:

- What are the biggest changes you would like to make to your life this year?
- What are the biggest changes you would like to make in the next 1-3 years?
- What do you want to achieve most in your life?
- What is your greatest obstacle to this achievement?
- What are 3 of your biggest achievements to date?
- What dream have you given up on?
- What major transitions have you had in the past 2 years?
- What is the hardest thing in your life you've ever had to overcome?
- Looking at the past 6 months, do you like the direction your life is moving? Explain.
- What part of yourself have you given up on?
- What are your primary stressors?
- What is your definition of success?
- What would you like your personal legacy to be?

This is an easy list of questions to read. They are not easy questions to answer! Take some time over the next couple of weeks to write out your answers. It will be a life-altering exercise.

Attention Men: Looking for a New Year's Resolution - Try CTG We know, deep down, that our greatest need of all is for the One who knows and wants the best for us—beyond what we ourselves understand and desire. Only God can make me into the man that my wife, children, parish, workplace, and country need me to be. Join a band of brothers on a life-changing journey to become Godly men. Make your New Year's resolution to take part in CTG's spiritual fitness workouts on Marriage and Family. Make plans to join us on Saturday mornings at 6:45am in the church hall. Contact Will for details: 414-531-7005, or wstarcevic@wi.rr.com, & *PASS THE WORD!*

In their synagogue was a man with an unclean spirit; he cried out, "What have you to do with us, Jesus of Nazareth? Have you come to destroy us? I know who are you - the Holy One of God!" Jesus rebuked him and said, "Quiet! Come out of him!"... All were amazed and asked one another, "What is this? A new teaching with authority. He commands even the unclean spirits and they obey him." His fame spread everywhere throughout the whole region of Galilee. ~ Mk 1:23-25, 27-28
