OFFERTORY FOR November 19 will be published in the bulletin December 3 due to early submission deadline for the bulletin the week of Thanksgiving

History of a Modern Feast - Christ the King

Today we have a modern feast, less than a century old, and placed at the very end of the liturgical cycle of Sundays only in 1969. In 1925, the world was in a sorry state from the vantage point of Pope Pius XI. The winds of war had swept the map of Europe raw, and ancient Christian dynasties had fallen in Russia and Spain. Although the Great War had ended, wars were breaking out everywhere. Fascism was already in control in Italy, and Nazism was on the horizon for Germany. The disorder making its claim on the human race was, the pope felt, an insult to the Divine Order. Pius XI designated the last Sunday in October as a day of universal recognition of the kingship of Christ. Creating this feast was an act of bravery by the pope, who was standing up against idolatry of the state and the dehumanizing forces of the modern world, things that are not hard to detect in today's world as well. In 1969 it seemed fitting to move the feast to a place of honor at the end of the year, a way of summing up the whole movement of the liturgical year toward the perfection of the Kingdom of God. In recent decades, many Protestant churches have adopted this day from the new Roman calendar, so it is shared now with the Church of England, the Episcopal, Presbyterian, and Lutheran churches, and others.

SAINT QUOTE OF THE WEEK Love is acceptance.

When you love someone . . . you take them into your heart, and that is surely why it hurts so much when we lose someone we love, because we lose a part of ourselves. ~St. Andrew the Apostle
