Special Collection next weekend

The storms in Louisiana have caused severe flooding. With over 106,000 people seeking aid, the president of the US Conference of Catholic Bishops has called for an emergency collection to support the humanitarian efforts of Catholic Charities USA and to provide pastoral and rebuilding support to impacted Catholic dioceses. "As a people of God, let us come to their aid. I encourage Catholics across the United States to respond generously. Our prayer and material support is urgently needed to help rebuild lives... Whether your donation is large or small, let us also be sure those suffering feel the power of our prayer to sustain them in the difficult days ahead."
