Pastor's Corner

I am so excited to share with you my observations. I know a person from our parish who gives every week \$2.00 for the needs of the needy besides his regular contributions to the Church. I am so much edified by his concern for the needy and generosity. It may be good for all of us to emulate this great example. If this great virtue is cultivated by all of us, it may help our church to meet the needs of the needy.

MEETING WITH THE BISHOP

The increased enrollment at Annunciation Catholic School in Columbus indicates that the Catholic education is growing in our area. Bishop Kopacz, Fr. Slattery and Cathy Cook of the Office of Catholic Education are conducting a meeting to gauge the level of support from families not currently enrolled at Annunciation Catholic School within the area parishes that will have school age children in the future. This session will be held in Starkville on Thursday, September 1, 6:00 pm at St. Joseph Catholic Church. All are invited for this listening sessions to express your views.

NO SURPRISES

We are told by all spiritual writers that one important point to bear in mind, as we seek to attain humility, is not to be surprised by our own faults and failures.

—François Fénelon, archbishop of Cambrai
