Pastor's Corner:

A word of appreciation to all our parishioners

I am sure you all have noticed a lot of visitors/newcomers coming to our Church. Many visitors have been sharing with me their experiences with our Parishioners. I am proud to bring to your notice their feedback and their word of appreciation to all our parishioners. Our Immaculate Conception Catholic Church community, West Point, has created very favorable impressions on the newcomers and visitors. One of the common opinions that emerged in their sharing is your hospitality and initiatives to introduce you to them, to know and help them to feel at home. They are simply captivated by your kind words, welcoming smile, and warm reception of them. This is a sign of true Christian community. The visitors also made a special reference to our liturgy. The arrangements for every occasion are done creatively with care and thoughtfulness. My special word of appreciation to our Liturgy committee. The committee takes everything very seriously and spends a lot of time every month discussing the events of the month and upcoming programs, and then executes them. The greenery/ambience around the Church is also another important feature for the attraction of all. May God bless all of you, especially all those who are doing a lot of work to present our church for the community to grow in faith. Please every one of you continue to do the same and take the time to meet people and say a word of encouragement to each other. As St. Paul says in Rom:14:19, let us live in mutual up building and glorify God.

Coming Events

The Liturgical Committee will meet on Wednesday, August 3rd at 6 p.m.
Father Basani will be in Jackson on Thursday, Aug. 4th. There will be no Mass that day.

In an effort to reach out to all former parishioners and to also remember the deceased members of our parish, Father Basani and the Liturgy Committee have set two new traditions for our parish this fall. The first event will be a Homecoming Mass and Brunch on Sunday, October 16, 2016. We will be asking for your help in the coming weeks to provide updated contact information of former parishioners. The second event planned will be Memorial Masses during the weekend of November 5 & 6, 2016. These dates will coincide with the November 2nd All Souls Day. We will use this service to remember and pray for the deceased. We will also take this time to express our appreciation for their devotion and contributions to our parish throughout their lives. We would like to encourage the whole congregation to get involved in reaching out to our former parishioners and also to help us remember and pray for the souls of the dearly departed.
