PRO LIFE – NO APOLOGIES

THE SILENT SCREAM
Ultrasound video of a 12 week abortion

Dr. Bernard Nathanson
former abortionist

"The heart is beating at a rate of approximately 140 a minute. And we can see the child moving rather serenely in the uterus... and the mouth is receiving the thumb of the child... the abortionist has now dilated the cervix and is now inserting the suction tip... you will note that as the suction tip moves toward the child the child will rear away from it... we see the child's mouth wide open in a silent scream... the heart has perceptibly speeded up, we can time this at approximately 200 beats per minute, there is no question that the child senses the most mortal danger imaginable."

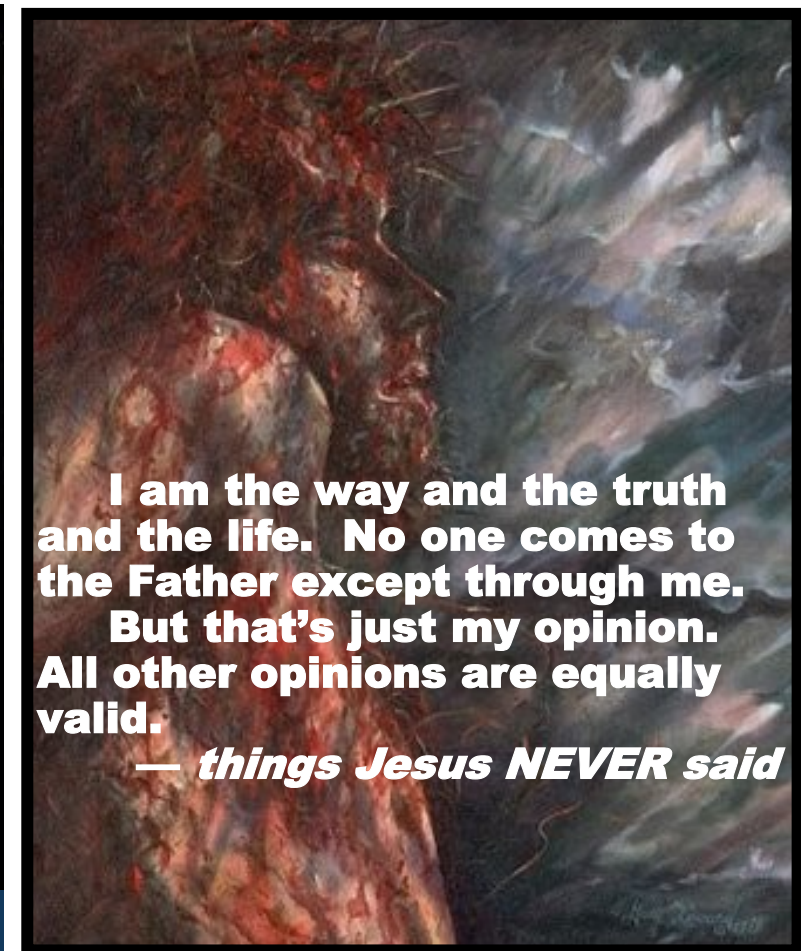

Fr. Altman's note: Every single unrepentant person who votes for any politician or party that promotes this greatest of damnable evils faces eternal damnation. As Pope Benedict said, "... it's as simple as that." Anathema sit. There are no excuses.

**Back to School
Volunteers Needed
at Catholic Charities!!**

Volunteers are needed August 8-10 to help sort and count donations, August 15 to help setup the La Crosse Center, and August 16 to help with distribution.

It's time for Back 2 School! Each year, over 100 volunteers are needed to make this event possible which helps children in need throughout the La Crosse area! In 2016 we assisted 700 children with backpacks and school supplies and we anticipate the same, if not more this year. With your support, we hope to meet this need and help children have a successful start to the upcoming school year! If you are interested in helping, please contact Alayna Mladucky at amladucky@cclse.org or 608.519.8043. Groups are welcome! For more information, you also can visit our website at: www.cclse.org

I am the way and the truth and the life. No one comes to the Father except through me. But that's just my opinion. All other opinions are equally valid.
— things Jesus NEVER said

If we don't teach our children to follow Christ, the world will teach them not to.
