**A WORD FROM THE PASTOR**

My column this week is a parish roundup of news. The first is to announce the hiring of a Director of Development for St. Mary's Cathedral. Over the past six weeks or so we have advertised nationally for a development director who can reenergize our capital campaign and assist us in putting the parish (with the school) on a firm financial foundation. I am happy to announce that our search led us to Kristin Romaine of Phoenix, Arizona. Kristin is a native Arizonan and has worked in the field of non-profit development for many years. She is the product of Catholic education, and she is familiar with the Catholic Church and its institutions. Kristin comes to us after working successfully on two large campaigns in Phoenix, at the Jesuit St. Francis Catholic School and Parish (her alma mater) as well as Xavier College Preparatory High School in Phoenix, an all-girls' school run by the BVM sisters. Kristin and her husband have also been involved with Catholic Charities in Phoenix, becoming foster parents for refugee children. Kristin sees fundraising for non-profits as her vocation. She and her husband have a three-year old child, James, and they are looking forward to moving to Portland, where they have extended family. Kristin will start part-time this month and move into full-time work in October. We welcome her to St. Mary's Cathedral!

Last Sunday I welcomed and introduced our new in-residence priest, Fr. Nazario Atukunda. Fr. Nazario is a priest of the Diocese of Kabale in Uganda. He was educated in Uganda and Rome (Canon Law). He came to the Archdiocese of Portland in 2014, and he has had assignments at St. Joseph Parish in Salem and St. Philip Neri Parish in Portland. He now works full-time at the Tribunal of the Archdiocese, and he will live in residence at Cathedral. Please give him a warm welcome!

I have indicated in a previous column that we are transitioning from Hacker Architects to a new architectural firm to renovate Cathedral Center and our courtyard. I am happy to announce that we have hired Emerick Architects, a local firm that has much experience in renovating older buildings, engineering the seismic upgrade, and working with our local landmarks commission. Emerick is a relatively small firm (about 15 employees) in Portland, with husband and wife principals: Brian and Melody Emerick. Our committee was impressed with their interest in our project; their creative engineering in the seismic field; their easy, conversational style; their excellent local work; and their creative ideas for our project. We very much look forward to working with them.

Finally, I want to thank Fr. Rick LeFavre for being with us this summer. He will soon be returning to Rome to complete his studies, and we wish him well. And speaking of travels, I will be leaving on pilgrimage with OCP to Ireland and Scotland on September 18<sup>th</sup>. I look forward to returning to my father's homeland, Ireland, and a first visit to Scotland. I return to Portland on Thursday, October 4<sup>th</sup>. Please pray for safe travels!

Msgr. Patrick S. Brennan

Leaders are given materials and a teaching guide that makes educating our 4 year olds to fourth graders a rewarding and easy experience! Please contact Rhiana Kehrl [rkehrl@comcast.net](mailto:rkehrl@comcast.net) or Kate Gobel [kpgobel@gmail.com](mailto:kpgobel@gmail.com) for more information.

The group will meet 1x/month and will be using a video series lesson from Dynamic Catholic and will be studying the Gospel of John.

**Prayer Requests:** As a community, we pray for each other, just as we ask the saints in Heaven to pray for us. There are two ways to participate in this ministry.

- 1) Send prayer requests to "[deacon@maryscathedral.org](mailto:deacon@maryscathedral.org)".
- 2) Sign up to receive an email of prayer requests (1 time per week) and take a few moments during the week to pray for these needs.

If you have questions, please contact Deacon Scott at "[deacon@maryscathedral.org](mailto:deacon@maryscathedral.org)" or 971-226-3119.

## CATHEDRAL SCHOOL

### **Pre-Kindergarten: Building a Foundation for a Lifelong Love of Learning:**

Cathedral School's Pre-Kindergarten program offers a safe environment where children can experiment, discover, find independence, and become thinkers. The developmentally appropriate curriculum includes lessons in literacy, math, social studies, science, creative arts, physical education, and religion; and still leaves plenty of time for play. If you have a four-year-old ready for Pre-Kindergarten next year, there is a spot for your child at Cathedral!

Cathedral School is now accepting applications for the 2018-2019 academic year in grades PK-8. For more information visit: [www.cathedral-or.org](http://www.cathedral-or.org), or call Mrs. Hatley at 503.275.9370 to schedule a tour.

## SOCIAL SERVICES

Thanks to the many who donated rice and beans to help feed our hungry neighbors! We will continue to collect these items throughout the year.
