From the Pastor's Desk

DID YOU KNOW that June 20 – the first day of summer – is National eGiving Day? Our Lady of Victory can take particular joy in this celebration, as the response to eGiving in our church has been wonderful.

To build on this success, I am setting a National eGiving Day Challenge. My goal is for OLV families to put envelopes on a permanent summer vacation and make the switch to eGiving. This is especially important in the summer months, when many families may be out of town some weekends and we do not receive their envelopes. It's easy for people to forget to catch up once they're back, and our weekly offertory can fluctuate as a result – making it harder to predict how much we will have to sustain our year-round ministries. This is one of the many reasons I have chosen to use FaithDirect – I don't need to remember to find an envelope or write out a check – it happens automatically.

The more families who welcome the beginning of summer by taking this National eGiving Day Challenge, the more consistency and predictable our offertory will be month after month – and this will help us to maintain and sustain the many great ministries we are blessed to have here at Our Lady of Victory.

Being part of this challenge is simple: Visit www.faithdirect.net and use our church code: **OH669**. Thank you for your continued support of our parish family with your time and talents as well as treasure!

Sincerely yours in Christ, Fr Mike
