Question of the Week

Gospel: Luke 16:1-13

Adults: Jesus tells a parable about a rich man and his steward. The steward is to report how he has used what he has been given. If, at this point in my life, God called me to make an accounting of how I have used what he has entrusted to me, what would the record show?

Children: The Gospel tells us a story about how a person lacked gratitude for what he had. How can we show gratitude to God for all that He has given us? How can we show gratitude to our parents for all they do for us? Gratitude in action is taking care of what you have—your toys, your books, even your education and your body! This week, find a way to show gratitude for what you have been given.
