### Word of Life

"The pro-life position is often misunderstood as neither showing compassion to mothers nor caring about the children after they are born. This is unfortunate.... Those who see a lack of compassion from pro-lifers may not be aware of the many resources and compassionate care available to women facing unplanned pregnancies... (Crisis pregnancy) centers exist to provide warm and caring environments for mothers and families who find themselves with an unexpected pregnancy." ~Mary Prentis, USCCB Secretariat of Pro-Life Activities

### Have summer plans yet?

It is our pleasure to invite you to participate in the Catholic Youth Camp experience. For over 50 years, young people from all over the Diocese of Des Moines have been coming to the St. Thomas More Center to encounter a week of prayer and fellowship, adventure and joy. Join us for summer 2015 as we continue this tradition of faith and fun for another incredible 11 weeks. At CYC, 3rd graders through high school graduates leave behind the distractions of daily life and trade technology for a week on Lake Panorama. They become immersed in the sacraments, Scripture, and prayer while making life long memories and forming friendships that go well beyond a week of summer camp. So this summer, come to Catholic Youth Camp on Lake Panorama and be transformed by faith and fun. **Registration is available today on our website: [stmcenter.com](http://stmcenter.com)**
