St John the Evangelist is a prayerful community in the Roman Catholic tradition called to witness the forgiving, healing, and saving presence of Jesus Christ in our sacramental, liturgical and social activities. Parishioners are called to respect all life and to offer evangelization for the parish, our town and surround communities. We are called to respond to the Gospel through the example of our lives. We reach beyond our parish to serve the needs of all people in our neighborhoods and around the world. We are a community of faith, hope and love.

The mystery of the Most Holy Trinity is the central mystery of Christian faith and life. It is the mystery of God in himself. It is therefore the source of all the other mysteries of faith, the light that enlightens them. It is the most fundamental and essential teaching in the "hierarchy of the truths of faith."

My Dear Friends in Christ,

Today the Church celebrates the Solemnity of the Most Holy Trinity, more commonly known as Trinity Sunday. It is a feast which has its roots in the early church and was very much a response to the Arian heresy which spread around the mid-fourth century. Arius, a Christian presbyter in Alexandria, held that the Son was subordinate to the Father and Spirit in the Trinity, that He held a lower place. This heresy, along with Arius himself, was condemned in both the Council of Nicaea (325) and Constantinople (381). It was at these Councils that the Niceno-Constantinopolitan Creed, as we say it today, was created and promulgated throughout the Church.

One might understand Arius' confusion, for the concept of the Trinity is a difficult one to fathom. I believe that the key to Trinity isn't so much "understanding" as it is "faithfulness". While one might seek to "figure out" what the Trinity is all about, one might be better served trying to "enter into" the Trinity. If one can strive to "live" the Trinity, one might come to "knowledge" of it. If one can look at the creative aspects of the Father, the redemptive aspects of the Son and the sanctifying aspects of the Spirit, then one can be better serve by, and better serve, the Trinity.

The key to understanding the Trinity comes in how we live our lives of faith. There are times when we rely upon, when we call upon, the different "persons" of the Trinity. These aspects of God are made all the more powerful when we realize that when we ask for the revelation of the Father, the friendship of the Son or the gifts of the Spirit, we are not abandoning the other "persons". There is only One God, no matter upon whom we call for aid and assistance. This is a key element of the Trinity, one which was missed by Arius. In "demoting" the Son to second-class status below the Father and Spirit, Arius was (perhaps inadvertently) limiting God. God is always at work – in our lives, in the lives of the Church and in the world. God is always creating, redeeming and sanctifying.

May we, as we move from the Easter Season into Ordinary Time, come to see the movement of God as ONE, just as God is ONE. May we know that whomever it is we call upon for intercession, assistance, guidance or aid, that God is always with us, at all times and in all seasons. May we help others to know this truth and may we share it with all whom we meet.

Have a Blessed Sunday and Week,

Fr. Paul
