A MESSAGE FROM FR. JERRY

125th Legacy Event: The Diocese of Sioux Falls is going all out to celebrate the Legacy of the last 125 years. The speakers and song leaders are among the best. I believe anyone who could participate for any part of the celebration would come away inspired and re-energized in their faith. Paper registrations are available in the church entryways. It is also easy to register on-line at sfcatholic.org/Legacy. We also would like to see members of the parishes present to carry the parish banners at the Friday night ceremonies and the Sunday morning ceremonies.

Thanks to some quick work by Sarah Grove we were able to have an entry in Sisseton's Horse and Buggy Days parade. Thanks to Michael Nieland and Erin Williams for portraying St. Peter and St. Kateri.

RCIA (Rite of Christian Initiation of Adults) will begin next week for any adult wanting to learn more about the Catholic Faith or prepare for being baptized or confirmed in the Catholic faith. Contact the Parish Office for more information (698-7414).

Last Week was Natural Family Planning Awareness Week. Some reasons I'm a great supporter of NFP for married couples include the following: 1) NFP brings out the totality of the self-gift that each spouse is to the other in God's plan for marriage. 2) It encourages the communication of the spouses. 3) It's all natural, working in harmony with the way God created human sexuality. 4) The times of abstinence lead couples to explore other expressions of their love and draws them closer together as they persevere together. 5) Couples who practice NFP have a very low divorce rate. Check out NFP by going to www.sfcatholic.org and clicking on the "Marriage, Family, and Respect Life" ministry tab; then on the "Natural Family Planning" button. It's surprising what couples miss out on through artificial contraception. Part of "holiness" is "wholeness." NFP respects the wholeness and happiness of marriage. Check it out!
