Mother's Day Blessing

Loving God, give our mothers a special blessing today,
who give life and nourishment to us, their children.

Bless these women, our first teachers,
that they may be, strengthened with courage and hope.

Let the example of their faith and love shine forth.

Grant that we, their sons and daughters, may honor them
always with a spirit of profound respect.

Grant this through Christ our Lord.

Amen.

Bendición del Día de las Madres

Dios amoroso, dales a nuestras madres una bendición especial
el día de hoy, ellas nos han dado la vida y nos han alimentado
como sus hijos.

Bendice a estas mujeres que son nuestras primeras maestras,
para que sean fortalecidas con el valor y la esperanza.

Que el ejemplo y el amor de su fe, brille mas allá de todo y
que nosotros, sus hijos, podamos honrarlos siempre, con un
espíritu de profundo respeto.

Te lo pedimos por Cristo nuestro Señor.

Amen.

Dear Parishioners,

At St. Genevieve Parish, we aim to be transparent to all of our Parishioners and stakeholders. At this time, we would like to inform you of a tremendous opportunity that was presented to St. Genevieve Parish. After months of research, negotiations, and surveying, and with the support of the Archdiocese we have entered an agreement with T-mobile that will provide annual compensation in return for the leasing of space to install a cell phone antenna. The tower will be located on the rectory building. It will not disrupt the look of our Church, nor will it affect our sacred sanctuary.

Let us assure you that St. Genevieve Church, School, and the Archdiocese of Chicago have done our due diligence and have evaluated all the risks of putting up a cell tower on our campus. We have looked at various sources of research such as the Federal Communications Commission, the American Cancer Society and the World Health Organization and have concluded that there is no health risk whatsoever. Your children's health as well as the health of our greater community is a top concern, and we feel confident that this tower installation will have no negative effects.

This tower installation came as a financial blessing to our parish. The funds that we will receive from this installation will not only be used to ensure financial stability for the Parish, but will also assist with ongoing school improvements and growing the St. Genevieve Scholarship fund.

Sincerely,

Parish Council - Rosemary Onesto
Finance Council - Dave Mota
Business Manager – Vanessa Baldwin
Pastor – Father Salvador Hallegado

Queridos Feligreses,

En la Parroquia St. Genevieve, nuestro objetivo es ser transparentes con todos nuestros feligreses y con todas las partes interesadas. En este momento, nos gustaría informarles de una tremenda oportunidad que se le presentó a la Parroquia St. Genevieve. Después de meses de investigación y las negociaciones correspondientes y con el apoyo de la Arquidiócesis hemos entrado en un acuerdo con T-Mobile el cual proporcionará una compensación anual a cambio de la renta del espacio para instalar una antena de telefonía celular. La torre se colocará en el edificio de la rectoría y no va a alterar el aspecto de nuestra Iglesia, ni afectará nuestro santuario sagrado.

Permítanos asegurarles que la Iglesia St. Genevieve, la escuela, y la Arquidiócesis de Chicago han hecho la debida investigación y evaluado todos los riesgos de la colocación de dicha antena de telefonía móvil en nuestro edificio. Hemos investigado a través de diversas fuentes, acerca de los peligros de la antena celular, tales como, la Comisión Federal de Comunicaciones, la Sociedad Americana del Cáncer y la Organización Mundial de la Salud, y hemos llegado a la conclusión de que no hay riesgo para la salud de ningún tipo. La salud de sus hijos, así como la salud de nuestra comunidad en general es una de las principales preocupaciones, y nos sentimos seguros de que esta instalación de la torre no tendrá efectos negativos.

Esta instalación de la torre llegó como una bendición financiera para nuestra parroquia. Los fondos que vamos a recibir de esta instalación, no sólo se utilizarán para garantizar la estabilidad financiera de la parroquia, sino también ayudarán a mejorar los cursos escolares y a establecer un fondo de Becas para la escuela St. Genevieve.
