### MISSION STATEMENT

We, the people of St. Michael's Catholic Parish, are many parts, but one body. As a community of believers in Jesus Christ and inspired by the Holy Spirit, we celebrate the sacraments, are challenged by Sacred Scripture and Roman Catholic Tradition, share of ourselves in service to others, and strive to promote the dignity of all human life and justice for all, as we continue toward the eternal glory of God's kingdom.

### FROM THE PASTOR . . .

This past week, the priests of the Des Moines Diocese had our annual workshop in Iowa City. During the workshop, we had two different presenters talk about the recent teachings of Pope Francis. They were able to shed light on how Pope Francis's experiences in the southern hemisphere, in his native country of Argentina, is influencing his theological outlook and his pastoral teachings for the whole world.

This weekend, the gospel story is about the healing of ten lepers. We are told that all ten were healed, but only one who realizes he is healed returns to the Lord to thank him for this gift. This story should cause us to reflect on our own willingness to express gratitude to God for the blessings which we receive throughout our lifetime. Are we good in regularly thanking God for the good things that happen in our lives? Are there occasions in which we forget to express our gratitude to God?

When I was a little boy, growing up so many years ago, one of the lessons that my mother taught me, which I still carry with me today, is the importance of saying, "Thank You." She said these are the two most important words in life, and if we say these words appropriately every time a good thing happens in our lives, we would go far in life. It has been my discovery, over the course of 55 years of living, that this is very true. People appreciate hearing someone thank them. I appreciate hearing someone thank me for something I did. And of course, God appreciates every time we take a moment to thank him for our blessings. Make gratitude a part of your daily lives.

*Peace,  
Fr. John*

**Growing In Faith?: How frequently do I thank God?**

### Jubilee Year Of Mercy —

In Jesus' day those with the sickness of leprosy were poor. Today many of the people suffering from various illnesses are also poor. If they were healthy enough to work, they would probably not be poor.

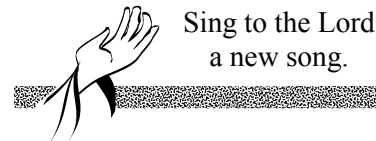

Pope Francis in his Encyclical, "The Joy of the Gospel", addresses the poor and how we are to relate to them. Pope Francis says, "No one must say that they cannot be close to the poor because their own lifestyle demands more attention to other areas. This is an excuse commonly heard in academic, business or professional, or even ecclesial circles. While it is quite true that the essential vocation and mission of the lay faithful is to strive that earthly realities and all human activity may be transformed by the Gospel, none of us can think we are exempt from concern for the poor and for social justice. Spiritual conversion, the intensity of the love of God and neighbor, zeal for justice and peace, the Gospel meaning of the poor and of poverty, are required of everyone." (201)

Are we helping those on the margins of society, or are we just helping ourselves?

**Remembering The Dead** — This time of year, we especially remember loved ones who have died since last November 1. The name of those who were members of the parish, or whose funeral was here, will be placed on a scroll before the altar. On Wednesday, November 2, during the 7:00 pm Mass, we will read the names of the deceased and invite members of the family to come forward with a candle bearing the name of their loved one. For those who were buried from St. Michael's, a call will be made to a survivor to invite them to Mass. We also invite others who have lost a loved one this past year, but whose loved one was not buried from here, to have a candle displayed. If you would like a candle in memory of your loved one, call the office, and we will prepare one for you.

**Jubilee Year Of Mercy** — The psalms express God's mercy. Psalm 146 attests to the concrete signs of his mercy. "He secures justice for the oppressed; he gives food to the hungry. The Lord sets the prisoners free; the Lord opens the eyes of the blind. The Lord lifts up those who are bowed down; the Lord loves the righteous. This Lord protects the stranger, he sustains the orphan and the widow."

Vocations Corner

**Father Dan Gehler** — was ordained a priest June 3, 2016, and began his first assignment at St. Anthony Parish in Des Moines. Fr. Dan states, "As a priest, I am able to bring Christ's mercy to the people of the diocese. This experience is brought home to me the most in the sacrament of confession and the anointing of the sick. These are two times in people's lives where God's mercy can be most meaningful to them, and I find it humbling to be able to bring Christ's mercy to them."
