## FROM THE PASTOR . . .

I hope you were able to enjoy a wonderful and blessed Thanksgiving with your family. We were able to have a very quiet and relaxing time together, as we had many reasons to be filled with gratitude. God has been gracious to the Frost family over the years. I hope your family had as many reasons to be grateful as our family had this Thanksgiving.

Now we begin the Season of Advent and our time of preparation for the coming of Christmas. The word "Advent" means "coming" or "arrival", and these next four weekends before Christmas is the time that we have to be preparing for the coming of the Messiah, our Lord Jesus Christ! The church is asking us to do two things during this Advent season. First, to remember and re-celebrate the first coming of Jesus Christ over 2,000 years ago, and secondly, to use these four weeks to begin anticipation and make ready for the promised second coming of our Lord. This means that Advent is a special season filled with hope and peace. May we use these virtues in our Advent activities to properly prepare for the coming of our Lord.

One of the most important ways in which we properly use Advent to help us prepare for the Lord's coming is our reconciliation/healing services. Our first healing service is scheduled for this coming Wednesday night at St. Mary's in Panama at 6:30 pm. We will celebrate the same reconciliation/healing service here at St. Michael's on Wednesday, December 14, at 6:30 pm. This is the same type of service we used last Lent in the Jubilee Year of Mercy. Come and receive God's forgiveness and mercy.

*Peace,  
Fr. John*

### Growing In Faith?: How am I preparing for the coming of the Lord?

### Apostolic Exhortation "The Joy of Love" —

(from the 2014/2015 Assembly of the Synod of Bishops)

Pope Francis concludes the introduction of this document with, "It is my hope that, in reading this text, all will feel called to love and cherish family life, for families are not a problem they are first and foremost an opportunity." (Introduction page 12) What an affirmation of family life the pope gives us!

After quoting various Bible passages about family life in the Old Testament, he continues, "Let us cross the threshold of this tranquil home, with its family sitting around the festive table. At the center we see the father and mother, a couple with their personal story of love. They embody the primordial divine plan clearly spoken of by Christ himself; 'Have you not read that he who made them from the beginning made them male and female?' (Matthew 19:4). We hear an echo of the command found in the Book of Genesis; 'Therefore a man shall leave his father and mother and cleave to his wife, and they shall become one flesh'. (Genesis 2: 24)" (Paragraph taken from Chapter 1, page 14)

We hope your Thanksgiving gathering was as tranquil as the pope envisions.

**Your Donations To Catholic Charities At Work** — Naing, (name changed to protect privacy), came to the U.S. from Myanmar. Unable to speak English, missing his home terribly, and always feeling torn between his new home and the one he left, he persevered and eventually became a case worker for Catholic Charities. He says that his experience as a refugee puts him in the shoes of so many people who are arriving in the U.S. today. He knows what they are going through, and he wants to share with them how he made it. Call it swapping shoes if you want.

**Saint Therese of Lisieux** — lived in a Carmelite convent with her older sister Pauline. Pauline was with Therese throughout her brief life, illness, and death at the tender age of 24. It is no accident that Jesus sent out his disciples in pairs. Having a spiritual companion, as Therese did, can be of great help and comfort on the sometimes difficult spiritual journey.
