We are fully aware, yet we allow our conscience to be anesthetized, with the result that we become desensitized. We may come up with justifications, but in the face of tragedies like these, such anesthesia is all the more grave. Force then becomes our one way of acting, and power becomes our only goal. Those who are most vulnerable not only suffer the effects of war but also see obstacles placed in the way of help. Hence it is urgent to debureaucratize everything that keeps humanitarian assistance

projects from being realized. In this regard, you play a fundamental role, for we need true heroes capable of blazing trails, building bridges, opening channels concerned primarily with the faces of those who suffer. Initiatives of the international community must similarly be directed to this end.

GARDEN MINISTRY

Regrettably, your opportunity to grow vegetables for your family and your community is coming to an end at least for this year in the garden. If you wish to join a wonderfully generous group of parishioners who choose to show their faith through their actions, you'll have to wait until next January. Our garden year is near complete.

In celebration of God and His blessing our crop this year, we will be hosting the:

SOUP AND CHILI POT LUCK DINNER—PUMPKIN CARVING NIGHT

Saturday, Oct 28 FOLLOWING THE 5PM MASS.

We hope all will join us. In the past this was a **fun, well attended & family oriented gathering of Risen Christ members.**

God bless you and your families and I hope to see you at this celebration.

ST. VINCENT'S NEEDS HYGIENE ITEMS AND FOOD

Products brought to Risen Christ are distributed to those in need through the parish St. Vincent de Paul ministry. Leave items in the "Food Pantry Cart" in the social hall.
