Feast of the Assumption—August 15th

Because it falls on a Saturday this year, August 15th, the Feast of the Assumption of the Blessed Virgin Mary, is NOT a HolyDay of Obligation. However, a feast day Mass will be offered at Immaculate Conception Parish at 8:00 am that Saturday. All are invited to gather for this important feast.

PRAY! PRAY! PRAY!

In January 2012, our parish's Knights of Columbus council started the Tuesday Hour of Prayer for members of the parish to come together to pray for an end to violence, abortion, euthanasia, embryonic stem cell research and other pro-life intentions. A very small group continues to participate.

In these days, our world is much in need of prayer—for life, for a return to family and moral values, for religious freedoms and for an end to violence and the persecution of Christians throughout the world.

The Hour of Prayer includes the Rosary, Divine Mercy chaplet and time for silent prayer.

The church is open Tuesday evenings, 6:30-7:30 pm. Come for the hour, for 30 minutes, or however long you can.

“As for me and my house, we will serve the Lord”
 Joshua 24:15

We live in a challenging time when many Catholic children and marriages are being profoundly affected by pornography.

- Countless children from good Catholic families are being exposed to Internet pornography at very young ages
- Large number of good Catholic couples are losing trust and intimacy in their marriages

There is hope for protecting children and families from the destructive effects of pornography.

The My House Program,
“Safer Families, Happier Marriages,”
 sponsored by the Archdiocesan Family Life Office, provides practical resources that help Catholics seeking freedom from struggles and addictions to pornography.

Looking at John 6 with Pope Francis

In seeking to feed the crowd, Jesus' disciple Philip calculated that there was not enough to feed them all. The Pope said this shows the disciples reasoning in terms of the market. Jesus, however, substitutes the logic of buying with "another logic: the logic of giving."

While one boy could give five loaves and two fishes, these appear not to be enough to feed the crowd. Jesus took them, gave thanks to God and distributed them. There was enough food left over to fill twelve baskets.

This miracle anticipates the Last Supper, the Pope noted, in which "the bread of God is Jesus himself."

In making Communion with Jesus, Pope Francis said, "we receive his life in us and we become children of the heavenly father and brothers with each other. We meet with Jesus really alive and risen!"

"To participate in the Eucharist means to enter into the logic of Jesus, the logic of gratuitousness, of sharing," he explained. Communion allows Christians to draw from Christ the grace which makes them capable of sharing with others what they have.

Pope Francis encouraged Christians to draw from the example of the boy who gave so little food, which ended up feeding thousands.

"In the face of suffering, loneliness, poverty and difficulties of so many people, what can we do?" the Pope asked. "Complaining does not solve anything, but we can offer what little we have. We certainly have a few hours of time, some talent, some expertise."

"Who among us does not have his or her 'five loaves and two fish'?" he continued. "If we are willing to put them in the hands of the Lord, we will bring a little more love into the world a bit 'more love, peace, justice and joy. God is able to multiply our small gestures of solidarity and make us partakers of his gift."
