## From Fr. Theby

Dear Parishioners,

Well, it's already the second Sunday of the New Year, and you know what that means? Yep, our monthly breakfast! Come join us for breakfast this Sunday, January 14th, from 8 until 11:30am, and you won't even have to break your New Year's resolutions as our breakfasts have all the calories blessed out of them!

This month we thank the Washington Volunteer Fire Department for so generously sponsoring our breakfast. Without our sponsors and volunteers we could not put on such amazing breakfasts every month. If you are looking for something to help out with, consider helping to sponsor one of our breakfasts. We are still in need of sponsorships for May, July, August, September and October, so call the office soon to be a sponsor.

On a more serious note, this Friday, January 19th, thousands of people from around the country will converge on Washington D.C. (as well as other cities) to protest the grave injustice of legalized abortion. For 45 years, our country has sanctioned the murder of the most vulnerable, and even given taxpayer dollars to evil institutions that promote and perform abortions. Not only has this tragic Court ruling ended the lives of millions of innocent children, but it has gravely altered the lives of countless millions of mothers and fathers, and has greatly harmed our country and society at large.

Every January we have this sobering reminder of our need to pray and do penance for an end to the violent injustice of abortion. So this week let us all double down on our prayers for an end to abortion, for post-abortive healing and for an end to all injustice in our society. Finally, please remember to pray for our 8th grade students who, with their parents, will be traveling to DC for the March. I will be traveling ahead of them (gone Monday through Friday) to visit my sister for a couple days before meeting up with our OLL group.

Have a blessed week!

Fr. Jim Theby

Thank you to all who joined us for Imo's Dine out night. We received a \$300 donation from them. Please join us for Lourdes night at The Creek, Tuesday, January 16, 4pm-Close. Good food, good company, and a good cause. No flyer needed; OLL gets 10% of the proceeds as a donation!

Please keep our students, staff, and parents in your prayers as they travel to Washington, DC to give witness to the Culture of LIFE in the Pro-life activities throughout the this week.

On Sunday, 1/28, 9am-12pm, we will have an Open House over at the school to kick off Catholic Schools Week. Please feel free to tour our school and see all the wonderful learning taking place at Our Lady of Lourdes Catholic School.

The school is going to do a service project during Catholic Schools Week and we need LOTS and LOTS of newspaper. Please save your newspapers for school kids. They can be left in the church until January 28<sup>th</sup>. Thank you!

**Tammi Rohman, Principal**

Our **Parish Pro-Life Committee** will hold a meeting on January 16, 7 pm, in room 1. All are invited and welcome.

### New Gym Floor

The installation of the new gym floor is now complete. Special thanks to the Finance Committee for authorizing this project and special thanks to the Athletic Association for its pledged financial support. We have also been blessed with the pledged support from several local business and private donors. A list of financial donors toward this project will be found in future bulletins once the final list has been completed and the names of these donors will also be able to be found in the gym foyer and/or hanging in the gymnasium itself once the final monies have been collected. If you would like to learn more about making a donation to help offset the costs of the new floor please contact Jay Nowak @ 314 -805-0145 or Michelle Mueller @ 636-667-5077. You may also contact Jane Dee in the Parish office. No amount is too small and all amounts are greatly appreciated.

The Society of St. Vincent de Paul would like to thank all of you who took ornaments from the Christmas Giving Tree. Gifts you purchased and wrapped helped make a nice

Christmas for those in our area who are having financial difficulties. It certainly was indeed a wonderful experience to see so many of you willing to share with the less fortunate.

Once again our parish in lieu of gifts for the various ministries donated money to the Society and we certainly are grateful.

Also a big thank you to our parishioners and those outside the parish. We certainly have been blessed by your generosity. Without your donations we would not be able to meet the needs of the many requests received daily.

During the past year we received \$57,972.21 in donations and \$64,282.19 was distributed to those in our community who needed assistance with rent, utilities, medications, etc. With your continued monetary support and prayers, we hopefully can continue the work of the Society. May God richly bless you as you see with eyes of faith and help our neighbors in need.

# Anthony of Egypt

Feast Day—January 17  
c. 251-356

Associated with the beginnings of monasticism, Anthony gave his inherited lands and wealth in Egypt to the poor. From the age of about 20 until his death at 105 years old, he lived as a hermit in remote hilltop and desert locations. What is known about him comes from a hagiography written by St. Athanasius of Alexandria. Around the year 306, Anthony began to accept disciples, founding his first monastery as a collection of hermits' cells. He cultivated a garden, wove rush mats, and fought many temptations and demons. Visitors sought his wise counsel, collected in the sayings of the "desert fathers," and the bishops of Alexandria summoned him at age 87 to help refute Arianism. He is the patron of basket and brush makers, butchers, gravediggers, and skin diseases.

Speaking about the power of the monastic life during his visit to Egypt, Pope Francis exhorted, "I urge you . . . draw upon the example of St. Paul the Hermit, St. Anthony, the holy Desert Fathers, and the countless monks and nuns who by their lives and example opened the gates of heaven to so many of our brothers and sisters. You too can be salt and light, and thus an occasion of salvation for yourselves and for all others, believers and non-believers alike, and especially for those who are poor, those in need, the abandoned and discarded" (Address, April 29, 2017)

### Safe Environment Program Compliance

Archdiocesan policy mandates that all persons who work with children be in full compliance with the Safe Environment Program. Compliance involves: 1) attending a Protecting God's Children workshop; 2) reading and signing a Code of Ethical Conduct; and 3) completion of a Family Care Safety Registration form which allows the parish to run a State of Missouri background check. These are to be completed before a person can begin their ministry.

Background checks for all active volunteers are updated in even years. Our parish is in the process of updating all necessary background checks for 2018. If you are no longer active in your ministry, please call the parish Child Safety Coordinator at 636-239-3520. If you are interested in getting involved in a ministry, please let us know, too!

Thank you so much for your ministry at Our Lady of Lourdes Parish.
