Prayers Answered

A life led of giving to others less fortunate, she is now the one who needs our help. And she is receiving it from some of our fellow parishioners. Contributions for medical expenses and medications, visits of encouragement and prayers for her recovery. All of this makes her hopeful about her recovery.

About two months ago, we heard about Baby Sully and his eye cancer/. We were asked to pray for him and contribute to defray medical expenses. At last report, his cancer is in remission and his parents say it was the prayers and concern from Montauk that caused the remission. May God bless him and his parents!

If you know about or have done your own good deed, please submit a brief summary of it with your name and telephone number to the parish office.

FRUIT OF THE WORD

The seed is the word of God. The agricultural metaphors in all of today's readings give richness to the message that the word of God, cultivated in our hearts, bears much fruit in our lives. Creation itself awaits the redemption of all, even as our bodies await the resurrection. Just as we will rejoice in the fulfillment of God's word, so will all of creation sing for joy in the Reign of God. The word of God is effective and holy; it brings about exactly what it says. It is not futile or empty, but rich in meaning for those who hear and are healed. Those who hear the word of God and keep it will, with all creation, bear much fruit and sing for joy.

TODAY'S READINGS

Second Reading — We, who have the firstfruits of the Spirit, groan within ourselves awaiting the redemption of our bodies (Romans 8:18-23).

Children Celebrate!

The Word This Week

Jesus told this story: "A farmer went out to sow seed in his field. Some fell along the road and was eaten by birds. Some fell on rocky ground and started growing, but couldn't grow deep roots, so it quickly died. Other seed fell where thorny bushes grew and choked the plants. But some seeds fell on good ground and produced many, many strong, healthy plants."

Then Jesus said, "If you have ears, pay attention!"

Catholics for Freedom of Religion

Orthodox Jewish Community Beats Back Challenge to Religious Liberty - for now:

California: On June 23, 2017, a second CA court rejected a lawsuit against Chabad of Irvine, a small Orthodox Jewish Synagogue, but it is still under legal attack. Animal rights groups, attempting to block the congregation from participating in their religious atonement ritual that takes place between Rosh Hashanah and Yom Kipper, have now appealed to the Ninth Circuit Court of Appeals - just one step below the U.S. Supreme Court.

During the centuries-old religious ceremony, the atonement of sins is contemplated through prayer and the humane, Kosher killing of chickens, reminding participants of their own mortality. "To be ordered to stop our religious practice because some refuse to tolerate our beliefs was deeply distressing," said Rabbi Alter Tenenbaum.

Had the first and second lawsuits been successful, the synagogue's religious ceremony would have been declared a "business practice," putting at risk the religious practices of every mosque, church, temple, synagogue, or house of worship by transforming their religious ceremonies into government-regulated business practices.

The Ninth Circuit Court of Appeals will hear the challenge to religious liberty in November. (firstliberty.org, 7/7/17 and 7/1/17; latimes.com, 5/16/17; oc-breeze.com, 6/24/17)

"While Americans presume that the Constitution guarantees their rights, in practice, our rights survive or disappear based on how firmly we defend them."
Archbishop Charles J. Chaput, Philadelphia
