My Dear Family of St. Therese,

I pray everyone had a wonderful Thanksgiving. Needless to say, the Monsignor did not leave the dining room hungry. His large brown eyes are hard to resist!

At my table, as I am sure at yours, we go around and ask each person to mention what they are thankful for! Since we had already thanked God for the food, we move on from there.

For me my list of things I am most thankful for (after The Monsignor and the food) is my family of St. Therese. This is my 16th year being the Pastor of an East End Parish (prior to St. Therese I was Pastor of St. Agnes (the Un-Cathedral) in Greenport for 12 years. I moved from the last Parish on the northfork to the last Parish on the Southfork (or the first parish if you consider the beginning of the day and sunrise.).

There is a certain "family" sense of belonging to the East End parishes. I think it may be the change in the seasons, not the weather changes but the change in population. Those of us who are year rounders enjoy the quiet streets and lack of traffic. You seem to recognize everyone you see at the Post Office or eating at what restaurants are open – for this I am thankful. I am grateful you have welcomed me as one of you own.

Our next family gathering will be our annual "**JINGLE BELL HOP**" at **Salivar's on Dec. 7th**. Make it a Communion Dance! Come to the 5:00 Mass for the Holy Day and then you can sleep late on Saturday morning!

Advent is on its way!

Remembering a Loved One

Memorials

As we bring our gifts to the altar at **Mass** we also bring our joy, pain, sorrow and love. We believe that God accepts all of this from us and gives us salvation through His Son in return.

If you would like to remember a loved one in our Eucharistic celebrations please contact our office. 668-2200

Another thoughtful way to remember a loved one is by donating a **Memorial** in the form of a liturgical item to be used in worship at St. Therese. The ongoing needs of our parish enable us to offer a variety of such items for memorialization.

For more information about this opportunity, please contact Fr. Tom Murray 631-668-2200.

CHRIST IS KING

On the final Sunday of the liturgical year we celebrate the feast of Christ the King. It's easy to understand today's scriptures as events that happened long ago and far away, or predictions that will come true somewhere, some day. But they invite us to claim Christ as our King here and now. Jesus' words to Pilate in the Gospel remind us that his kingdom transcends time and place. And the prophecies from Daniel and Revelation give us reason to be faithful to Christ our King right here and right now.

By concluding the year with this feast we are proclaiming our faith that Jesus Christ is the one and only King over all seasons, all peoples, and all of creation. No matter what nation we belong to or what language we speak, he "has made us into a kingdom" (Revelation 1:6)—one people united in love and peace for all eternity.

Dear Father Tom,

My parishioners and I cannot thank you enough for your unbelievably generous (and unexpected) donation to St. Therese here in Wrightsville Beach. It was simply overwhelming to have your letter and check arrive so "out of the blue" this past week.

We have been working on recovering and restoring our church property (and schedule) in the aftermath of the storm for many weeks, and will be doing so for the foreseeable future, probably into 2019. It's been a bit unsettling to say the least.

In the midst of what we are dealing with, your unexpected gift means so much to us - and to me personally. Please express our thanks and gratitude to your parishioners at "St. Therese North" from "St. Therese South".

We will continue to keep all of you in our thoughts and prayers.

Thank you again and God bless,

"Of all the dispositions and habits which lead to political prosperity, RELIGION and MORALITY are indispensable supports." George Washington

Learning About Our Liberty:

The generation of resolute Americans whom we call the Founding Fathers created the first FREE people to survive as a nation in modern times.

They believed that without RELIGION, the Government of a free people cannot be maintained. They wrote a new Constitution which is now the oldest in existence.

From "The 5000 Year Leap"

1. FREEDOM - A Founding Basic Principle

A **principle** is a defining statement of what you believe and what you seek to accomplish.

A **policy** is simply the means you choose to get you there.

The foundation of American PRINCIPLES are found in the Declaration of Independence and the Preamble to the Constitution:

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their CREATOR with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness."

"WE THE PEOPLE of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the general Welfare, and secure the BLESSINGS of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America."

"You my brothers and sisters, were called to be FREE. But do not use your freedom to indulge the flesh, rather, serve one another humbly in love."
