What Does the Catholic Church Teach About....?

Question:

I was asked, "Why do I need to register at a specific parish? Can't I just be a floater?"

My Answer:

Good question. We are, after all, the Universal Church. So why register? Let me tell you why it is preferred, but not required.

By virtue of you being in a given territory, parish, you are afforded the rites and privileges and also the obligations of being in that territory, parish, whether you register or not. By Canon Law the Church is organized into territories, most specifically designated by the bishop of the diocese and which he designates as parish. So whether you register or not, you are a member of a territory, a parish, a specific parish.

To register just makes life easier at the administrative level. In other words, making sure that you are provided with any needed information on Sacraments, etc... It also provides a means to perpetuate the parish by financial means, the offertory, each week. There are always expenses that each parish has to manage. One obligation of being in the territory, parish, is to help fund the various needs of the parish and, by the way, the needs of the surrounding area, special collections.

Now belonging to a specific territory, parish, does not mean that you can't attend mass at other Catholic churches. It really means that the church, parish, that you support, not only financially, but also providing your talent, is your first obligation.

Again, registering provides the pastor in charge of the territory, parish, a better idea of who is in the territory, parish, so that he can minister to you more effectively.

"Pope Pius X reminded us that the purpose of the parish is to gather people with their different backgrounds and talents and insert them into the universality of the Church. The parish is a microcosm of the whole Church. While nurturing the souls of the faithful members, the parish as a whole must be ready to respond to the broader needs of the diocese and the national and international Church. The faithful must also have a sense of serving the needs of all the faithful throughout the world and of building up the Kingdom of God now." *Taken from WHY SHOULD I REGISTER AT MY PARISH?*

Fr. William Saunders

Now just as a quick note, the Sacrament of Baptism and the Sacrament of Matrimony are to be administered within the territory, parish, where one resides whether you are registered or not. To receive these Sacraments outside of your territory, parish, requires permission from the pastor of your territory, parish.

It is always good to register in your parish. It just makes sense so that you are recognized as a member, a member of the community.

Peace

Deacon Tom
