Study

We used to keep our family Bible in our living room. It looked good with its bright red cover and gold trim. Back then it was just a book on display. Now it's filled with papers marking readings that have touched me and post it penance reminders. Some of the readings are highlighted from the bible study I was on.

I wasn't Much of a study person until I made my Cursillo where I learned study is the second leg of the Cursillo tripod.

I was amazed by the writing of Scott Hahn. Max Lucado had me weeping In "Just like Jesus". In resisting happiness Matthew Kelly writes, "the day you fall in love with learning is the day your life changes forever". Through Piety, Study and Action. Cursillo has changed my life. Let me share the gift of Cursillo with you.
