From the Pastor's Desk

We all love to voice our opinion. Print and internet opinion polls have sprouted up in the thousands almost overnight. With the touch of a key you can pull down statistics on every subject from breakfast cereal to political theory. Yet this fascination with personal opinion pales in comparison to our need to be accepted. As we scan those numbers, we're also desperate to have popular opinion behind us, knowing that around the world or the block the greatest number of others agrees with us.

Peter too might have felt safer, more comfortable, agreeing with popular opinion. It was a harsh, revealing light that Jesus cast on him by asking, "But who do you say that I am?" Peter could have hidden behind the voice of the majority, but instead he stepped out in faith, willing to be seen alone no matter how unpopular his opinion was.

And this courageous declaration of faith became the rock on which Jesus founded His Church. It is a point for us to ponder whenever we seek "safety in numbers". Is our desire for acceptance more important to us than our faith?

News from your Parish School **St. Rose of Lima, Pray for Us**

The beginning of our school year is always graced with the feast of St. Rose of Lima. On Tuesday, Aug. 23 the school family celebrated the patron Saint of our Parish and School with a prayer service and asked, that by the intercession of St. Rose, all aspects of parish life and ministry would be blessed and protected.

We pray that all St. Rose students, all CCD students, all teachers, catechists, parish ministers, our priests and parishioners will be guided by the holy spirit as we use our talents and abilities to glorify God.

St. Rose of Lima Catholic School is proud to carry on the mission of developing Excellence Through Jesus and offer generations of faithful the gift of a Catholic Education.
