FROM THE PASTOR'S DESK

"An eye for an eye, a tooth for a tooth..." may be one of the most quoted Bible verses. However, we often ignore the rest of the passage. We hear Him say today, "You have heard it said, 'An eye for an eye...' but I say to you..."

The gospel message fails to endorse many of society's evils and today's passage is certainly no exception. The idea of forgiving others is not politically correct in many circles, nor is it palatable in many minds.

If we were to lunch with Jesus and honestly discuss our feelings in the matter while listening intently to His response, what might be the outcome? Perhaps it would be well if we were to come and see.

News from your Parish School

Growing in Ordinary Time

The Sundays and weeks of Ordinary Time, take us through the life of Christ. This is the time of conversion. This is living the life of Christ.

Students are called to live this life of Christ through the course of their daily activities and studies. In preparing for PSIA competitions, completing homework and participating in extracurricular activities, students seem to be doing pretty ordinary things. These opportunities however, mark their growth as individuals and as a school family. Every day is a time to improve and grow as a person and as a follower of Christ.

Ordinary Time is a time for growth and maturation, a time in which the mystery of Christ is called to penetrate ever more deeply into history until all things are finally caught up in Christ. As we pursue Excellence Through Jesus, even ordinary things are focused on the Cross.
