FROM THE PASTOR'S DESK

It takes a bit of craziness to change the world. Einstein, the Wright Brothers, Mahatma Gandhi, all labeled eccentric or just plain crazy by society. And maybe they were. It's as if those souls meant to transform our world have to step outside the norm to do it. They stick out like a fish on a treadmill, but they make an amazing difference, even when it takes a good bit of lunacy to get them there.

The Samaritan woman thought Jesus was loopy too. Was this maniac rabbi going to dive into the well and carry water up his robe? And what was "living" water? But the crazy patchwork of Jesus' conversation touched her heart. He

broke the rules, laughed at society's conventions and changed her life. With a bit of "lunatic" behavior He transformed an entire town.

That's what God can do. He brings a startling new perspective into our lives, a blessed bit of craziness so that we stand out from the crowd. People laugh, call us crazy, but then they ask why? Crazy maybe, crazy like a fox.

A Sure Way to a Happy Day

Happiness is something we create in our mind.
It's not something you search for and so seldom find -
It's just waking up and beginning the day
By counting our blessings and kneeling to pray -
It's giving up thoughts that breed discontent
And accepting what comes as a "gift heaven sent" -
It's giving up wishing for things we have not
And making the best of whatever we've got -
It's knowing that life is determined for us,
And pursuing our tasks without fret, fume, or fuss -
For it's by completing what God gives us to do
That we find real contentment and happiness, too.
