TODAY IS
THE
PARISH PICNIC!!!

In our country of abundance it's hard to understand the pressures an overpopulated, under-resourced country faces. Imagine a life where everything was controlled, including how many children you were "allowed". Limiting any couples's right to children is a horrifying thought. How precious that single child would be. And consider the terror involved when something threatened that child! What wouldn't a parent do to protect the only child they were to ever have?

Consider then, the only Son of God. Torn from the loving home of His Father, He was raised in a hate-filled, war-torn world. And even as He took that first breath, His Father knew that this precious, only child would be sacrificed. Imagine the pain as Our Father watched as the one child He would ever have was scourged, mocked and crucified. And yet, He bore this great sorrow for His adopted children, we, who so often ignore and deny the blood-bought adoption He has provided.

Truly it can be said that God so loved the world that He gave His only Son. What more could a parent give?
