FROM THE PASTOR'S DESK

Those of us who are gardeners or farmers know the faith it takes to watch seeds grow to maturity. We pick the best soil, provide water, fertilizer and shelter from the worst of the elements. Still, inexplicably some plants flourish while others fail. There is a measure of uncertainty no matter how skilled the hands are that plant the seed.

It is the same when we scatter the seeds of our faith in the world. We can't foretell who will be receptive and who will not. Often we will see no difference, no response that a seed has even been planted in their hearts, but we cannot lose faith. Today's parable reminds us that our responsibility is simply to continue to share, to see that the seeds are planted and leave the growth to God. He will know how to tend the hearts that have been sown, so that they reap a good harvest.

Perhaps we will be there to see this rich reward, perhaps not. It is enough to know that we are trusted to continue the blessed planting that Jesus began, and which will continue until He comes again.

STEWARDSHIP

"GIVE AND IT SHALL BE GIVEN UNTO YOU"

Giving, not until it hurts, but until it is deeply rewarding, is the key to authentic Christian stewardship. Most of us think of giving in very limited terms -- making a financial contribution. But as Christian stewards, we are asked to give of more than just money; we are called to give of our action, our ability, and our abundance -- the very essence of our lives.
