Why would Jesus say that He had come "to cast fire upon the earth"? Surely it was to express His burning passion to spread the Good News of the light and love of God that He had come to proclaim.

Fire in the Bible symbolizes the presence of God. Jesus wanted all of earth's people to come to know the loving warmth and healing that comes from the presence of God.

God's "fire" is a fire that purifies, cleanses, and results in glorious new growth. Would that everyone experienced that holy fire!
