FROM THE PASTOR'S DESK

Self-esteem is the watchword of today's society. Media, music and literature all tout the virtues of building positive self-image. School grades and employee reviews have been overhauled to avoid damaging this precious idea of self worth. Millions of dollars are spent on "I'm ok, you're ok" seminars and self help books, repeating the message that each of us is the equal of anyone. Is it any wonder humility is rare these days?

How different the Canaanite woman in today's reading! Desperate for her daughter's healing she abased herself, shamelessly begging Jesus for His healing touch. And when He denied her request, using a painful comparison of dogs and children, she was not too proud to accept this humble status. In fact the Canaanite woman used the analogy to voice her need again: "Lord, even the dogs eat the scraps that fall from their master's table." And her faith and humility gained His compassion.

What a startling example for our ego-focused lives today. May this story remind us that while we are treasured children of God, we are also needy, humble servants, beggars for His divine grace.

**FEAST OF  
ST. ROSE OF LIMA**

Wednesday, August 23, we celebrate the titular feast of our parish -- ST. ROSE OF LIMA. Remember to offer your prayers to St. Rose that she might intercede for you and place your prayers before the throne of Almighty God.

Also, remember that on her feast day those canonical (registered) members of our parish receive a plenary indulgence. To receive this indulgence one must be in the state of grace, receive Holy Communion, and say three Hail Mary's and three Our Father's for the intention of our Holy Father. A plenary indulgence, as you know, is the remission of all the temporal punishment due to our sins.

St. Rose of Lima was a Dominican Sister who gave up all for the sake of the Kingdom. May her labors and sacrifices be an example for us and inspire us to live a life worthy of His Kingdom.
