FROM the PASTOR

Answering the question who Jesus is may appear quite simple for those who label themselves a Christian. But how much does the Jesus of our minds resemble the Jesus who asks the question, "Who do people say that I am?"

We have heard His story over and over. We have even told it over and over. But is the story we tell about the real Jesus or one we have invented? Is He a plastic Jesus molded in our image and likeness, or is the Jesus of our faith the real Jesus who invites us to pattern ourselves in His image and likeness.

News from your Parish School A Strong Foundation

Next week St. Rose School students will be taking the ITBS Test. This test provides an opportunity for teachers to assess the strengths and needs of each student in their room. This information will allow each educator to lay the foundation of the school year. Just as we build our faith on Jesus Christ, instructors will prayerfully use the data to plan as to effectively touch the hearts and minds of each student. This will ensure that all students will be building their educational knowledge with the assurance all academic and spiritual needs are met. Pray for all of our students and teachers as they strive to do their very best.

"Prepare your work outside; get everything ready for yourself in the field, and after that build your house."
