We all like security: guarantees, warranties, test results. Whether we're buying a car or a decongestant, we want to know the product has been tested to do what it claims. "Show me!" "Prove it!" have become our watchwords. Armed with statistics and good hard facts, we can make any decision fool-proof. Almost.

Today's gospel challenges our desire for proof. The rulers and first thief demanded evidence. "If he is God," they said skeptically, "let him save himself." Yet the evidence of Jesus' miracles was already around them: people healed, raised from the dead, transformed spirits and lives. By seeking final, "fool's proof" evidence, these doubters missed the simple truth the second thief saw so clearly. Belief and trust come first, before God works in our lives. We don't get a stack of facts and verifiable test results, just a few simple stories about how God changes lives.

It's up to us to accept and believe. Like the second thief, we must reach out in faith, saying, "Lord remember me." Then He will secure us a "fool proof" entrance to heaven. The question is, what kind of faith are we living today, fool proof or fool's proof?

News from your Parish School
Thanksgiving

More than Thanking God for the many blessings he has bestowed on each of us, this special day provides us the opportunity to bless others. St. Rose School students turn their thankful hearts to serving those in need. The annual

Thanksgiving Mass provided an opportunity to collect food for the local area food pantry. Additionally each class and the faculty has provided a food basket for the Family Crisis Center. Baskets contain all necessary items for a complete Thanksgiving meal for a family in need.

May your Thanksgiving be a blessed time of turning to God in his goodness as well as a time of sharing His bounty with all those in need.

"I will give thanks to the LORD because of his righteousness and will sing praise to the name of the LORD Most High."
